AUTHOR'S NOTE: IN KOREAN, DO-TUNG (DOUNG) MEANS THE

TUM IN GENERAL IT'S THE IDEA OF TRANSCENDENCE

It's falling

But

In the desert, a warrior's teachings are unquestionable.

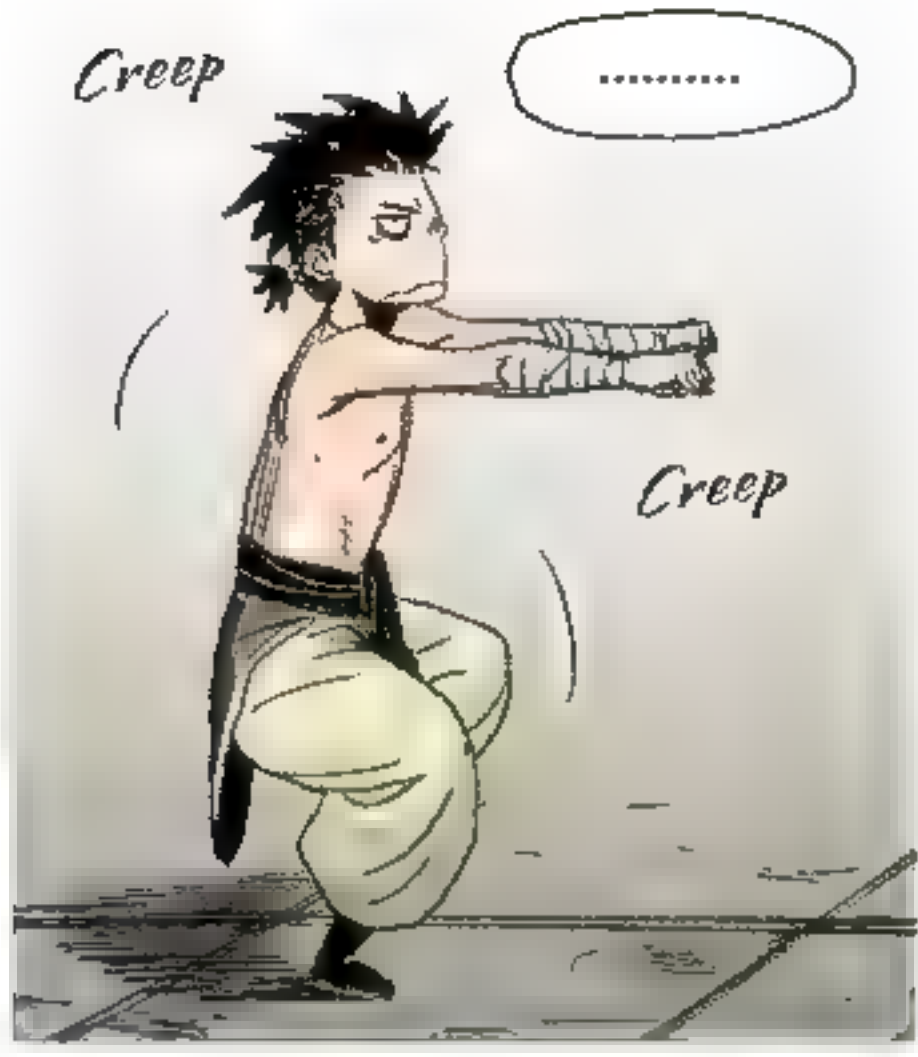

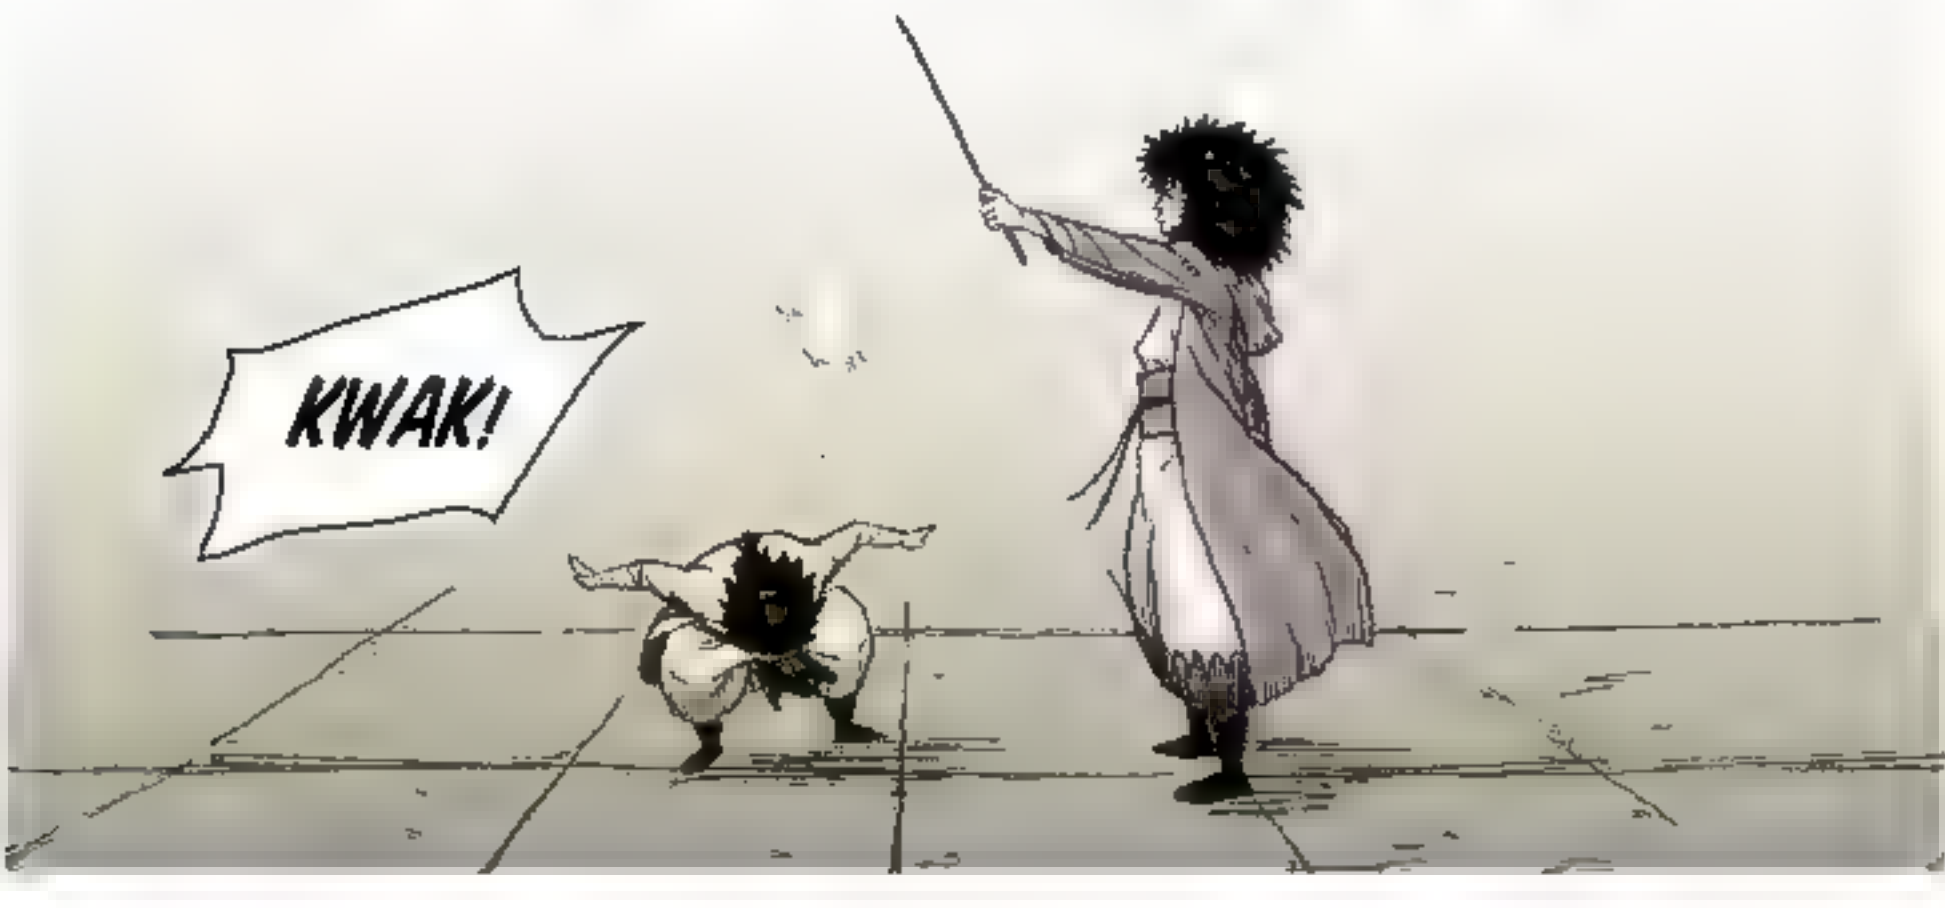

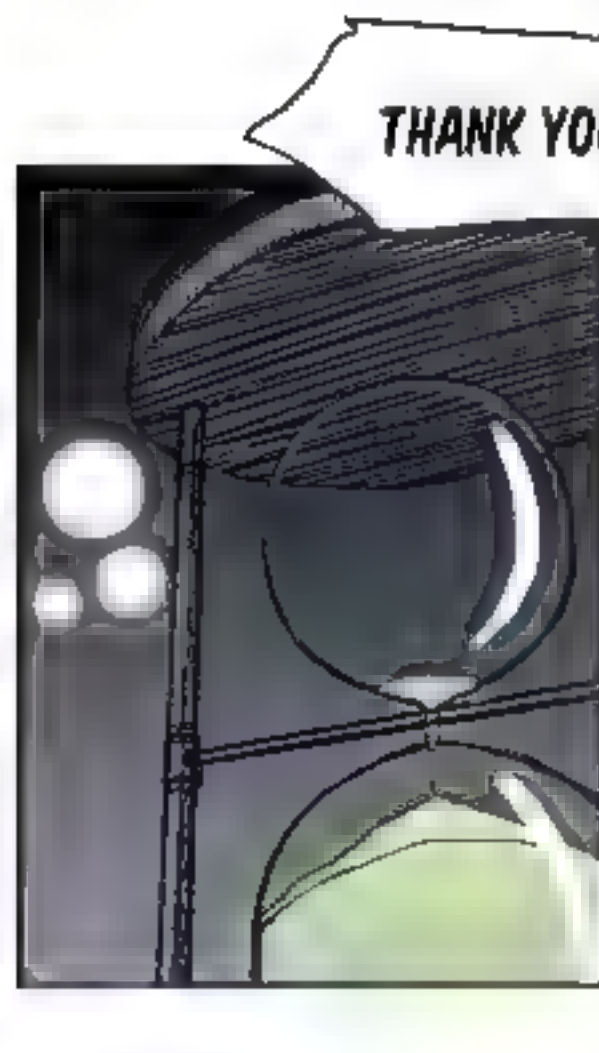

but still...

THANK YOU!

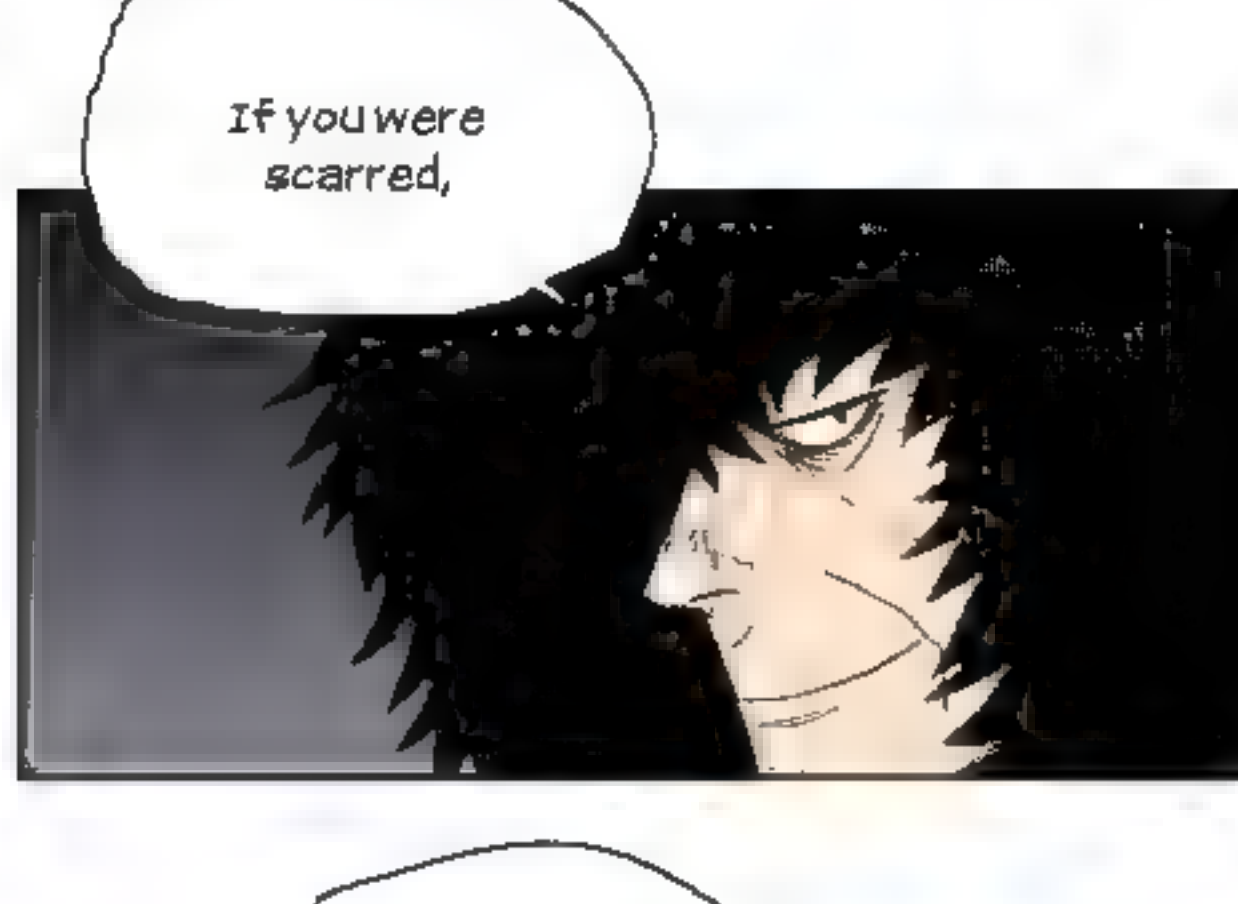

This is strange.

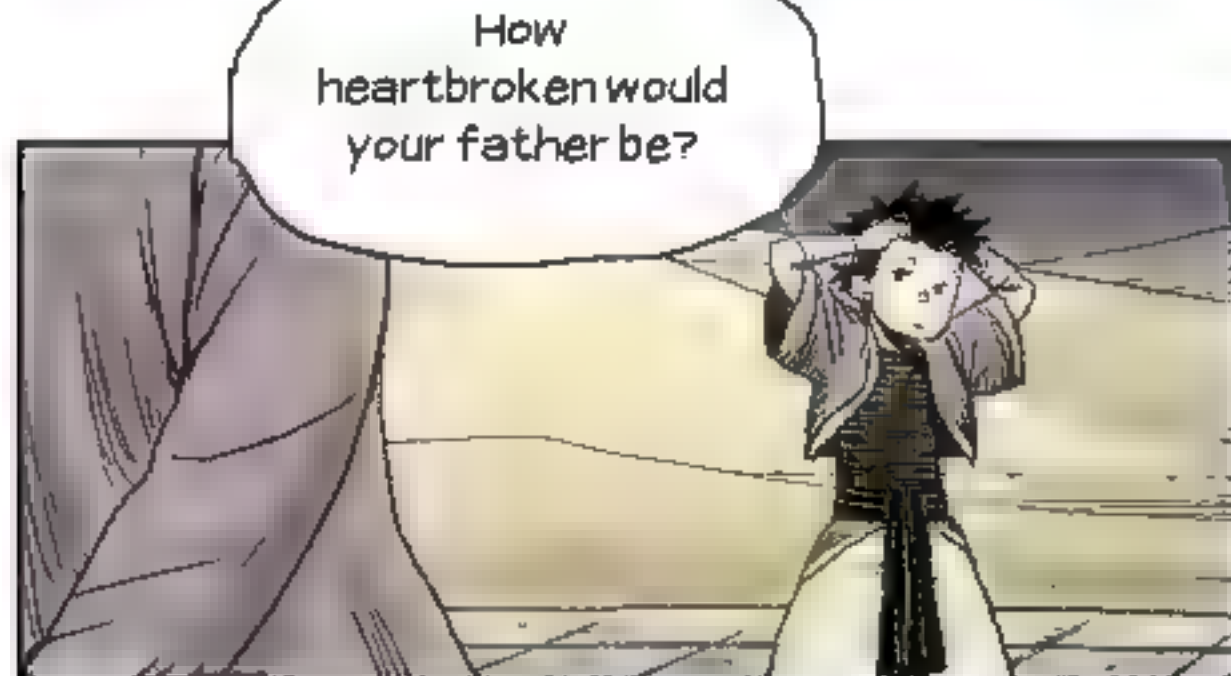

What is?

Even though I got whipped so much, I don't have any bruises.

If you were scarred,

How heartbroken would your father be?

One that has experience in whipping is better at it,

This is a talent.

I've reached a state of excellence in that area, so don't you worry about it.

THAT IS UNACCEPTABLE
WE CANNOT COMPLY
WITH THE DEMANDS
OF THE EMPIRE

I AGREE
WE HAVE TO MAKE
A STAND.

BUT WE CAN'T
JUST DEFY THEM
BLATANTLY,
CAN WE?

THEN
WHAT DO YOU
WANT?

THERE'S NOTHING
WE CAN DO FOR NOW,
WE'LL JUST HAVE TO
ABIDE BY THEIR
WILL.

IF WE
CONTINUE LIKE
THIS, THEY WILL
ONLY ASK FOR MORE
AND MORE.

AND THAT'S
WHY WE NEED TO
TEACH THEM A
LESSON!

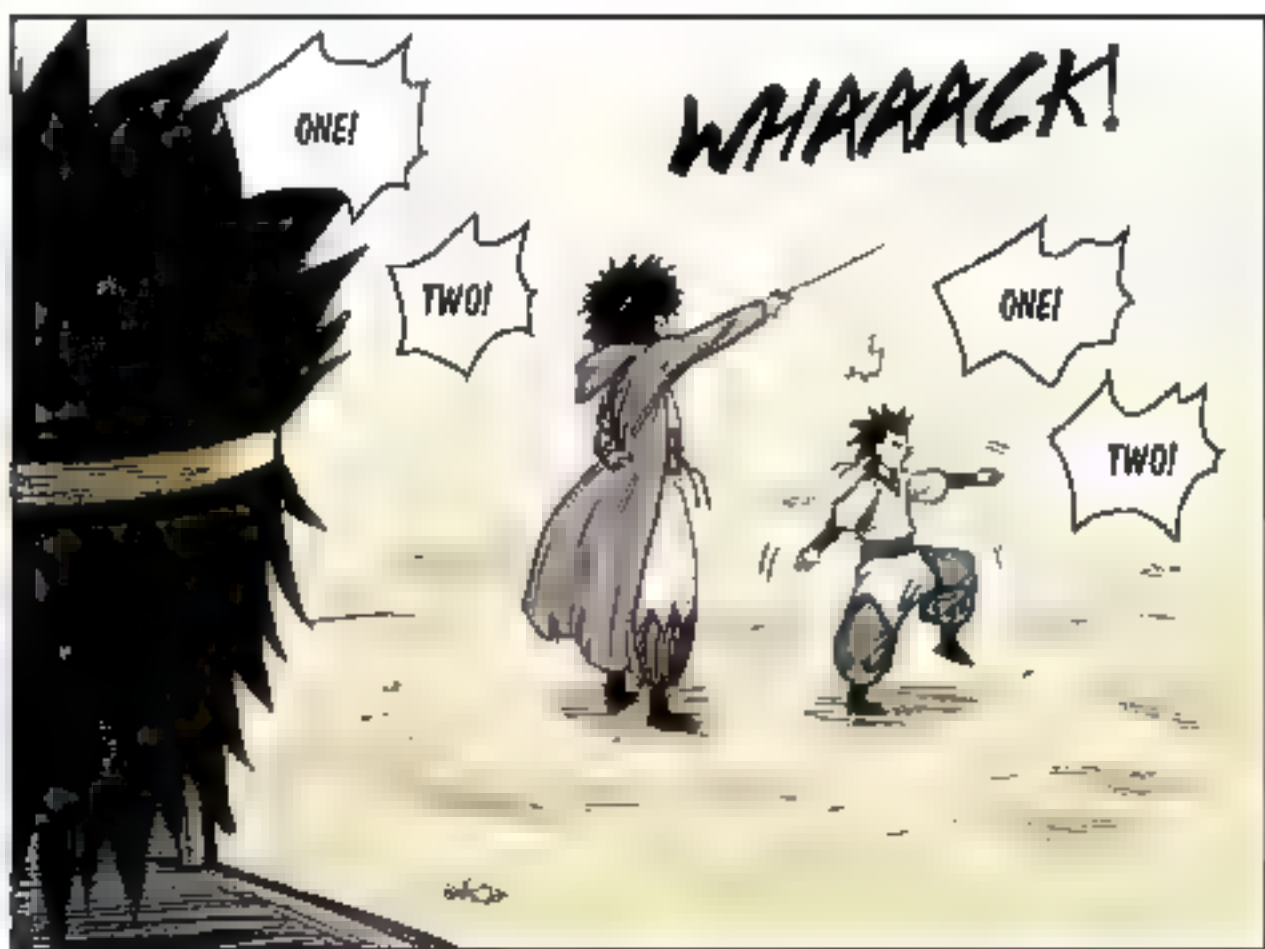

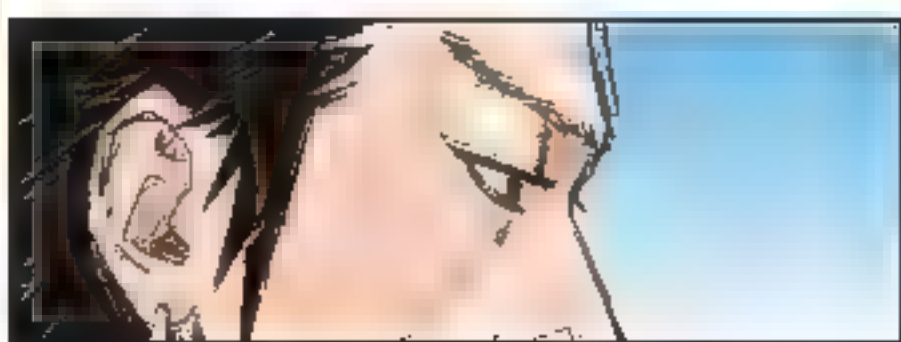

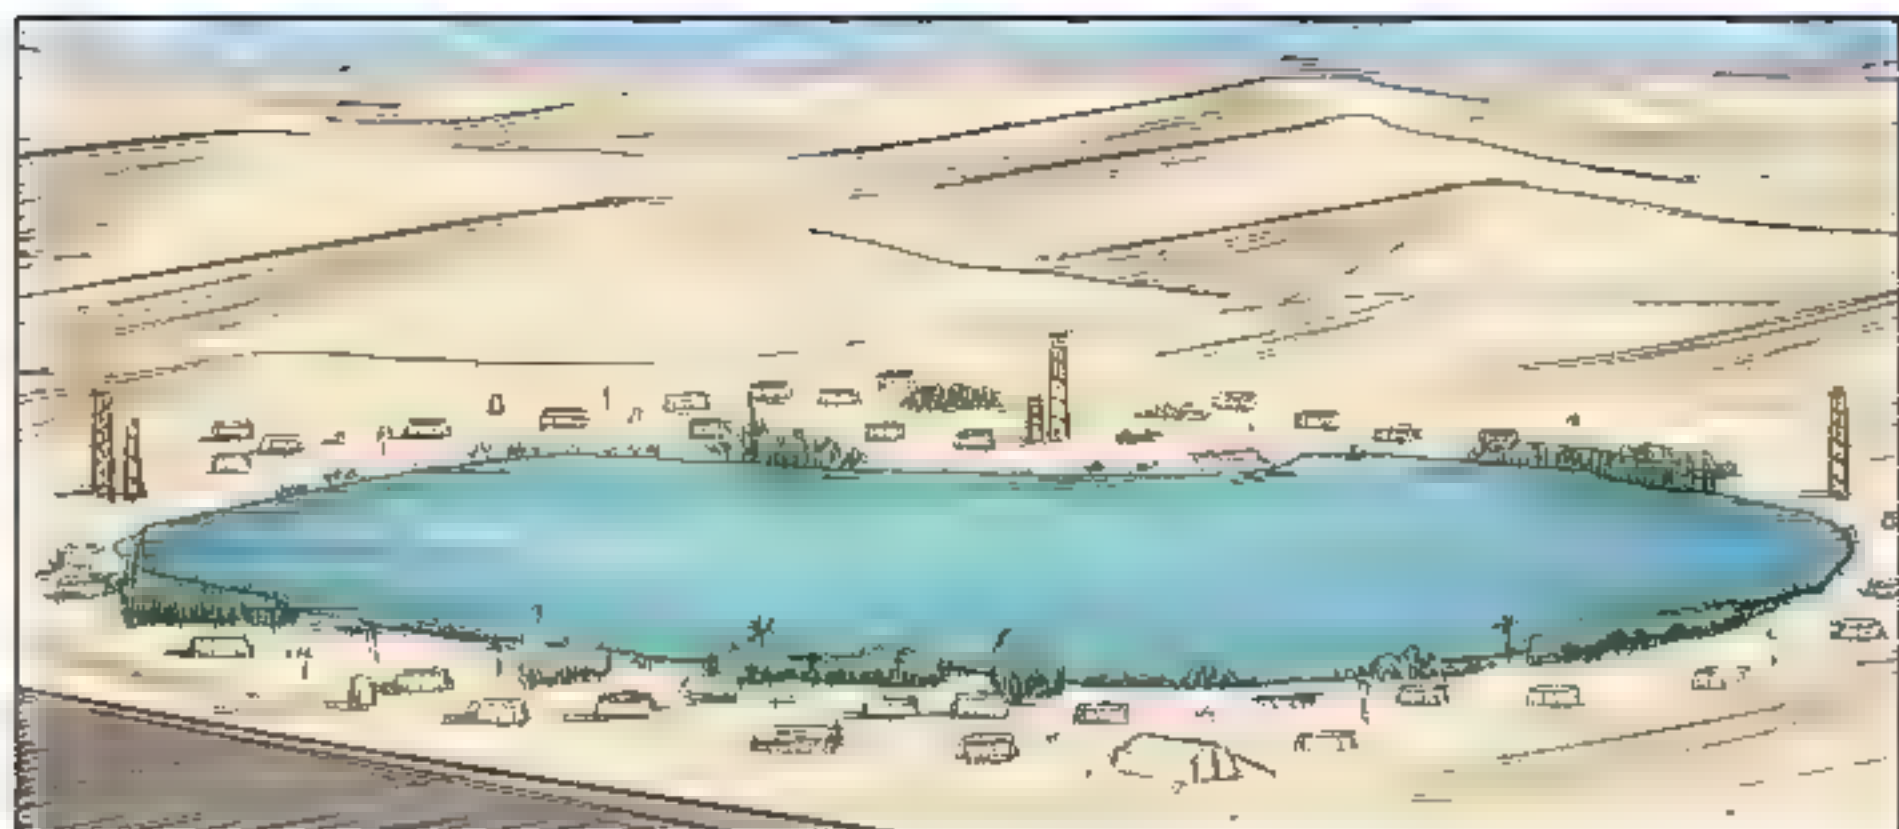

STUPID ELDER,
YOU CAN'T RAGE
THROUGH THIS

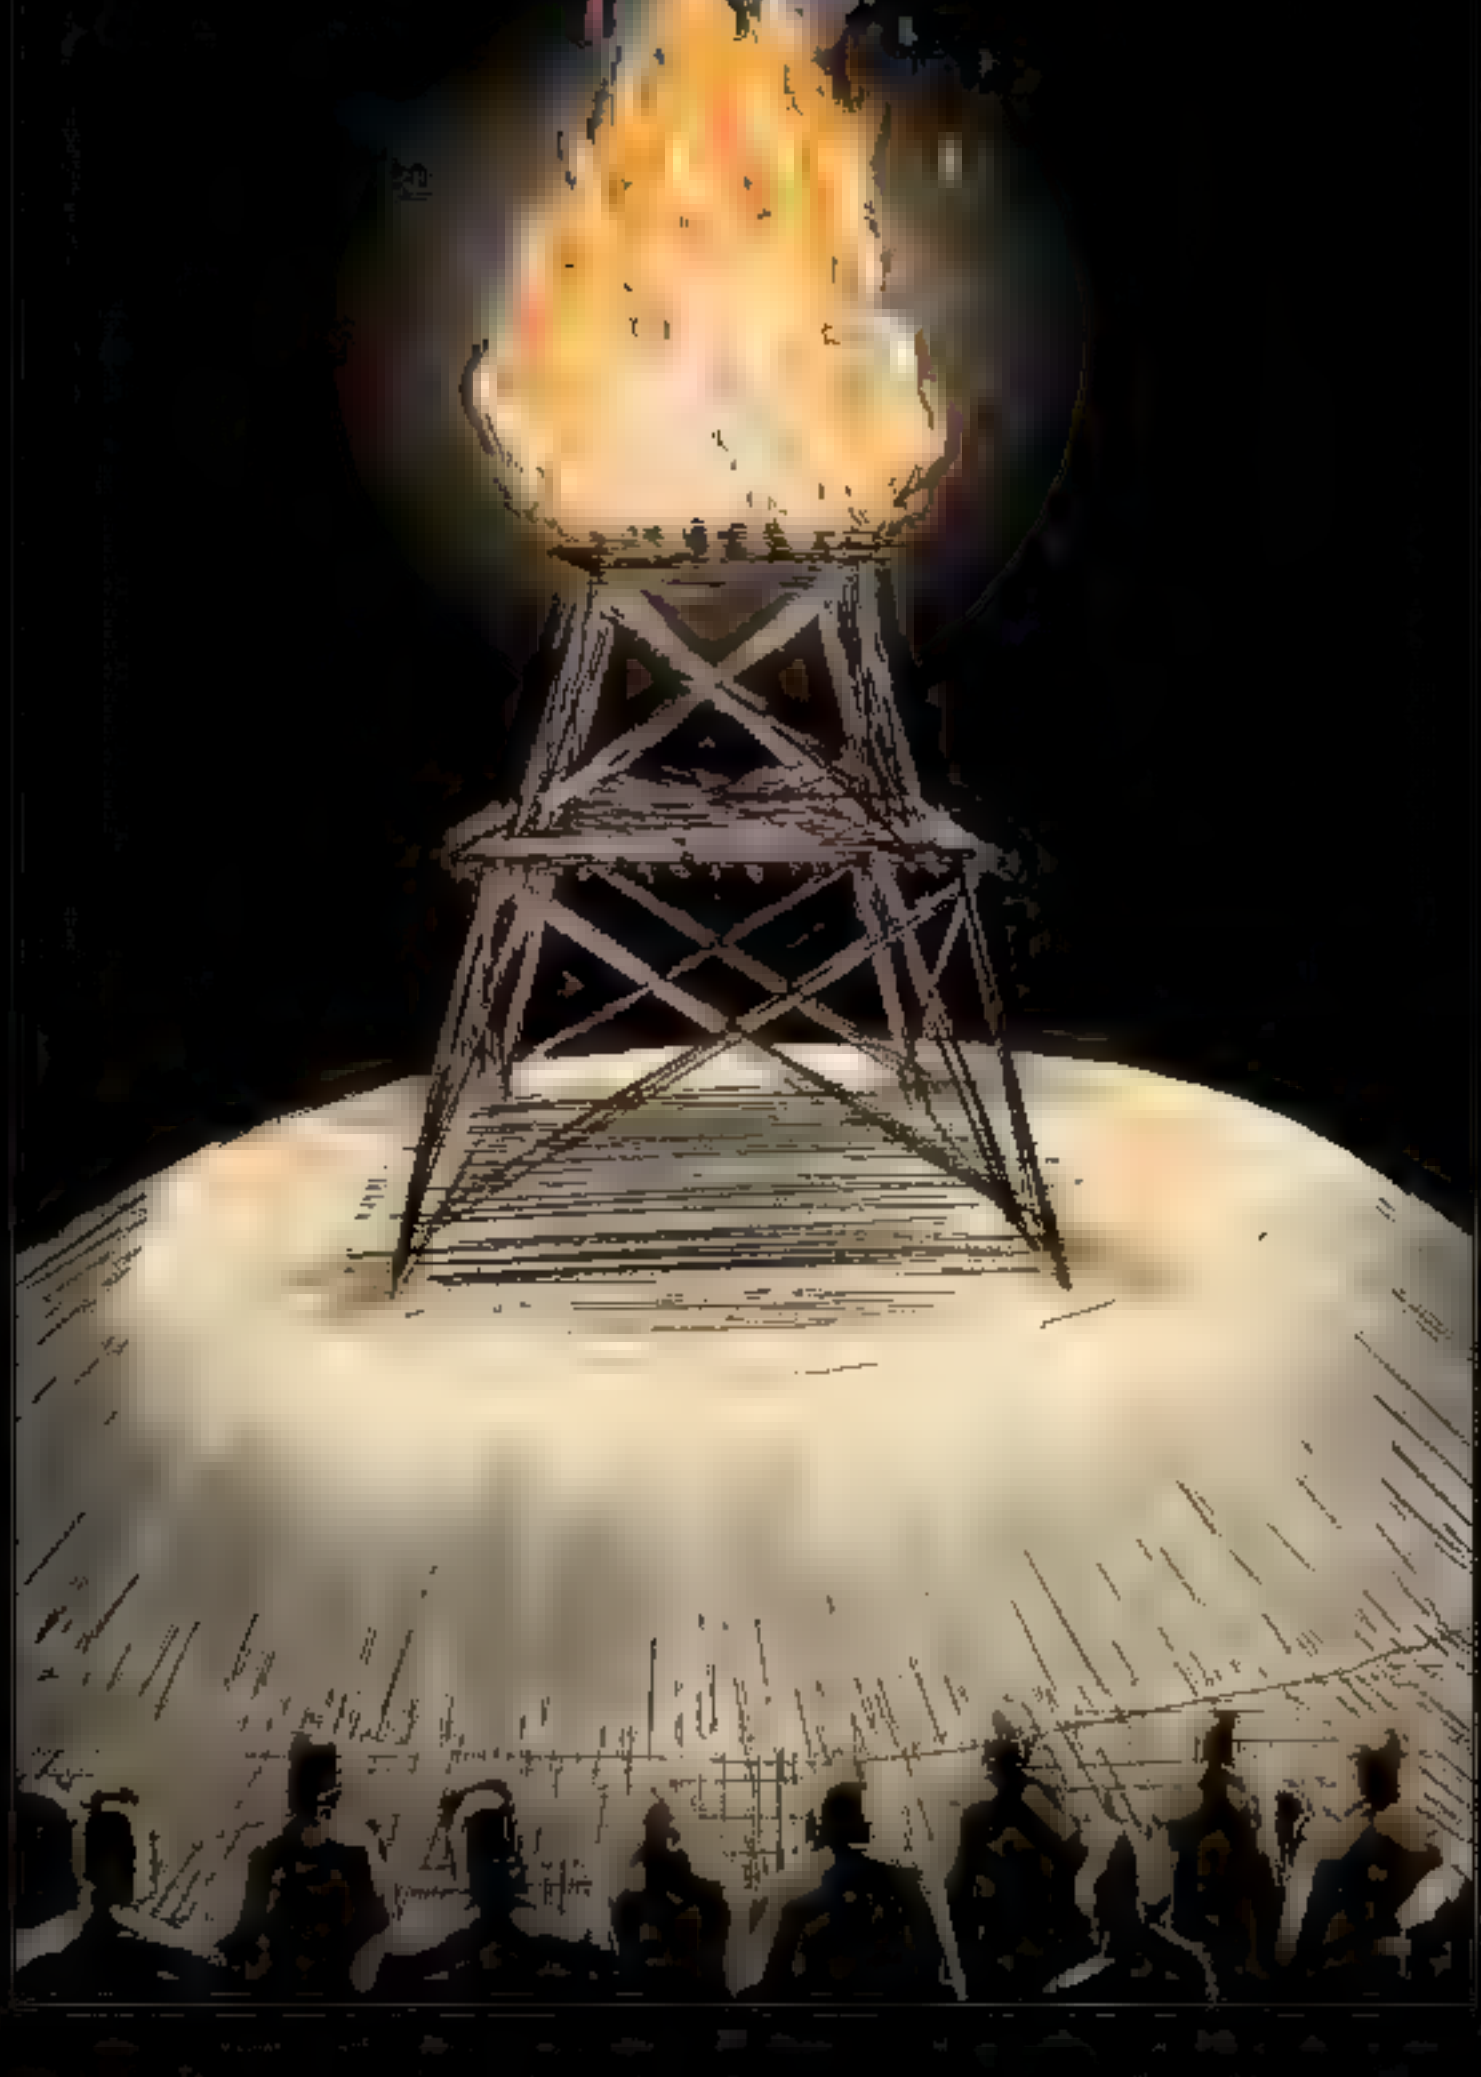

ARE YOU
SAYING WE SHOULD BE
DRAGGED AROUND
LIKE THIS OLD HAG?

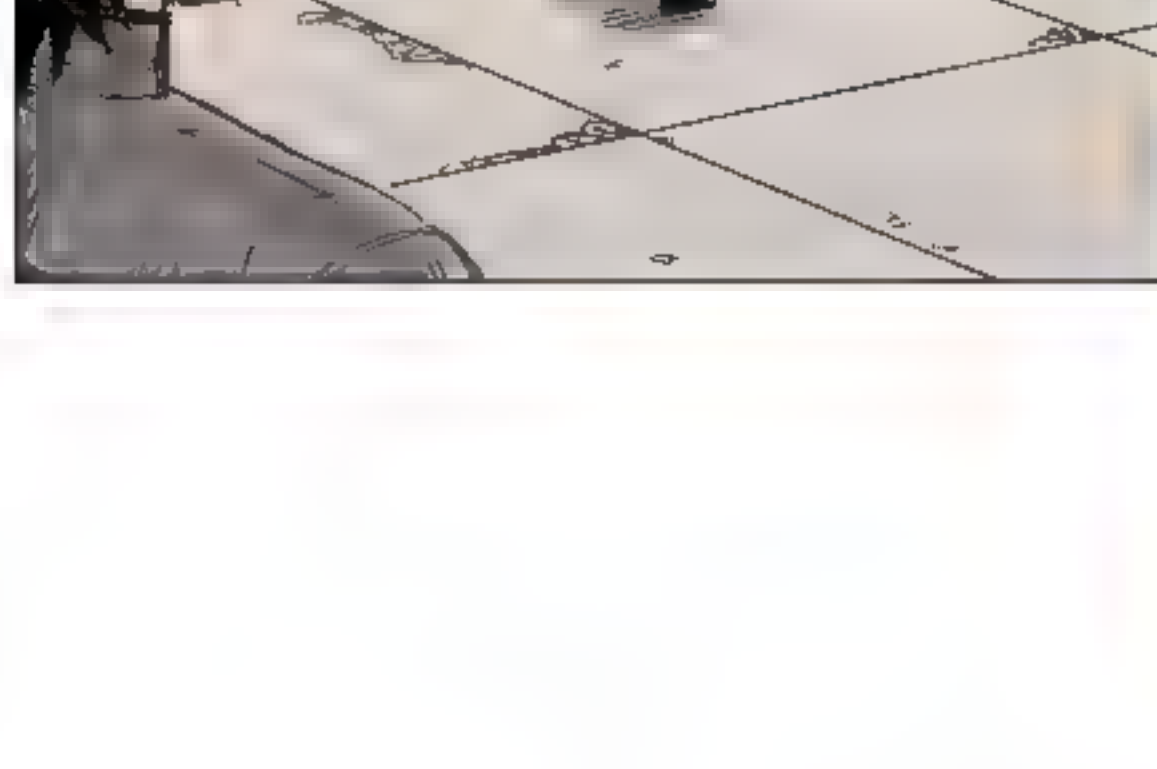

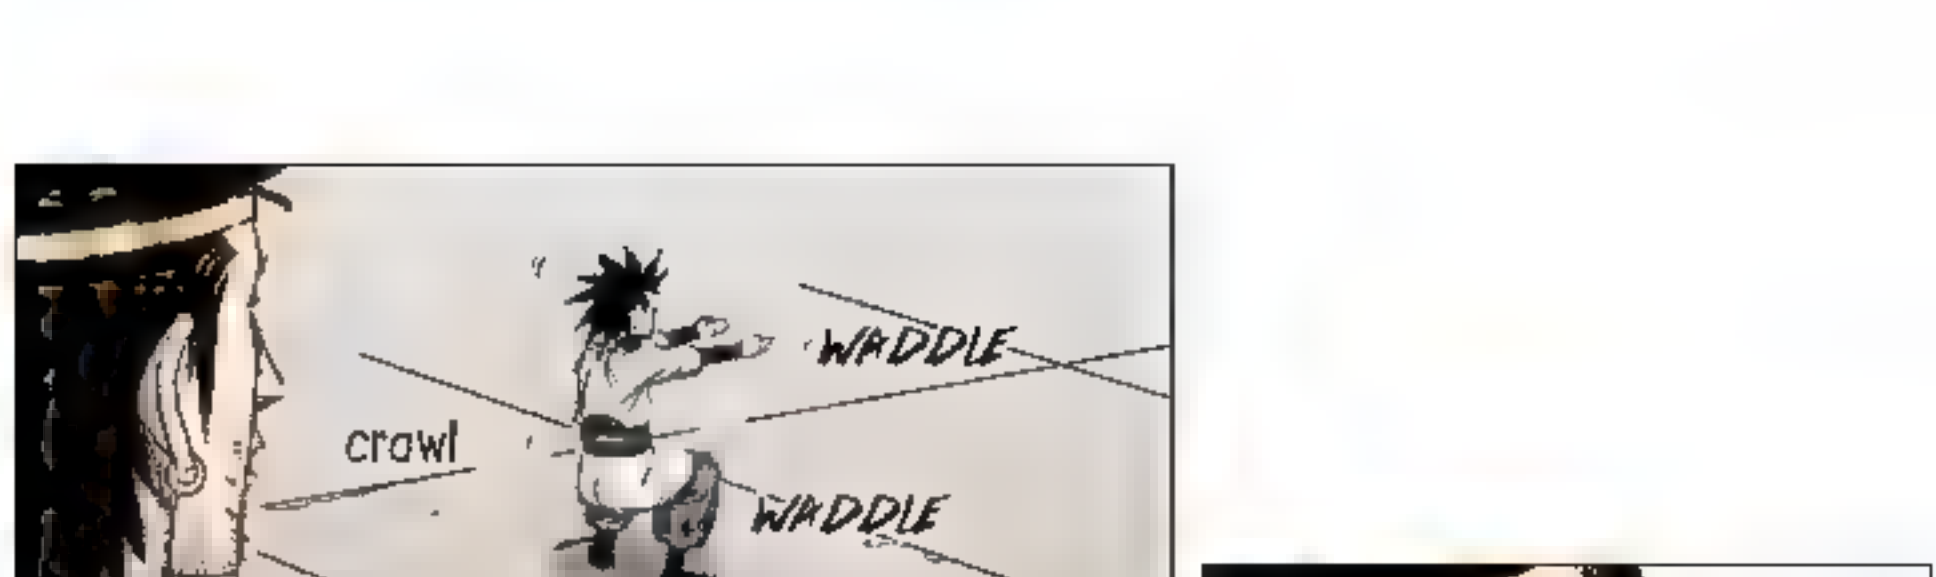

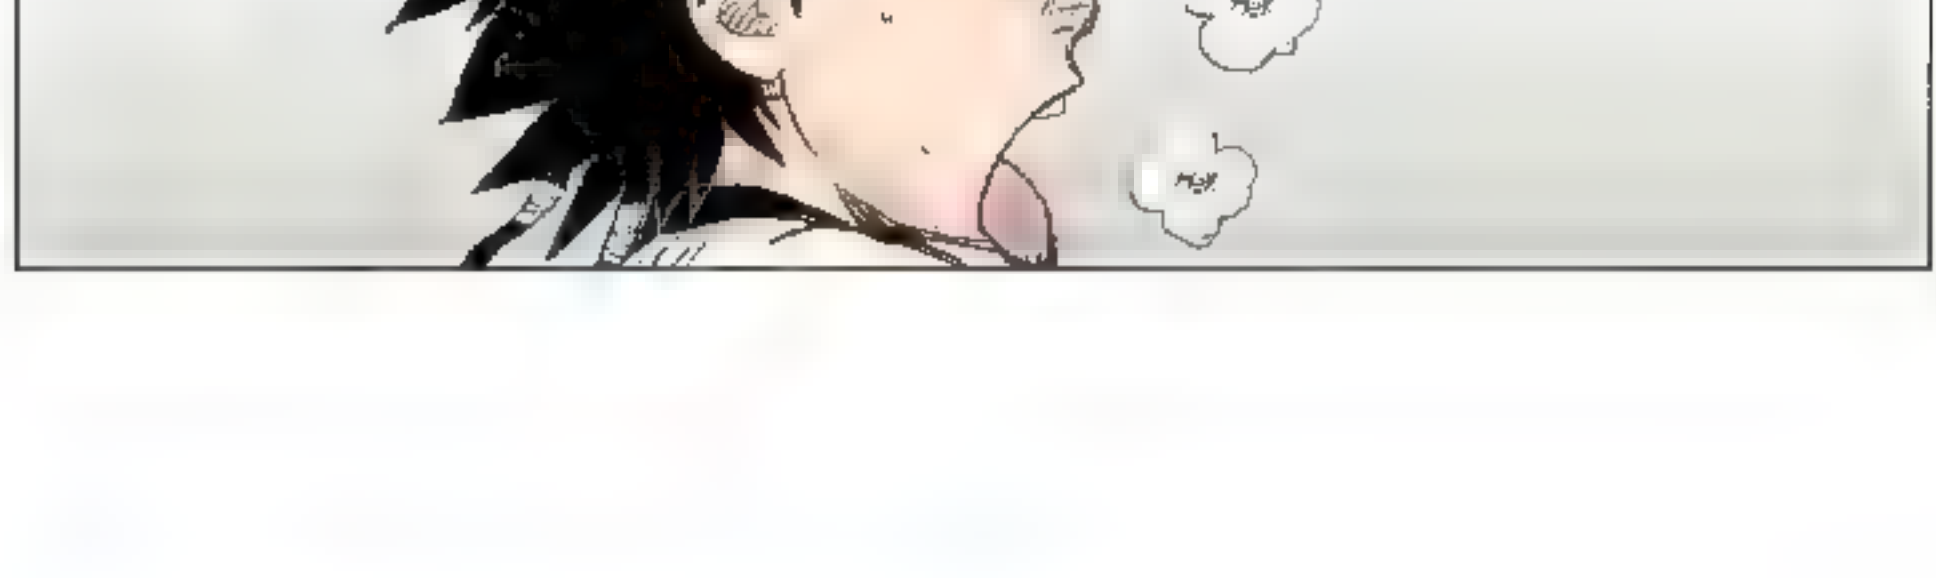

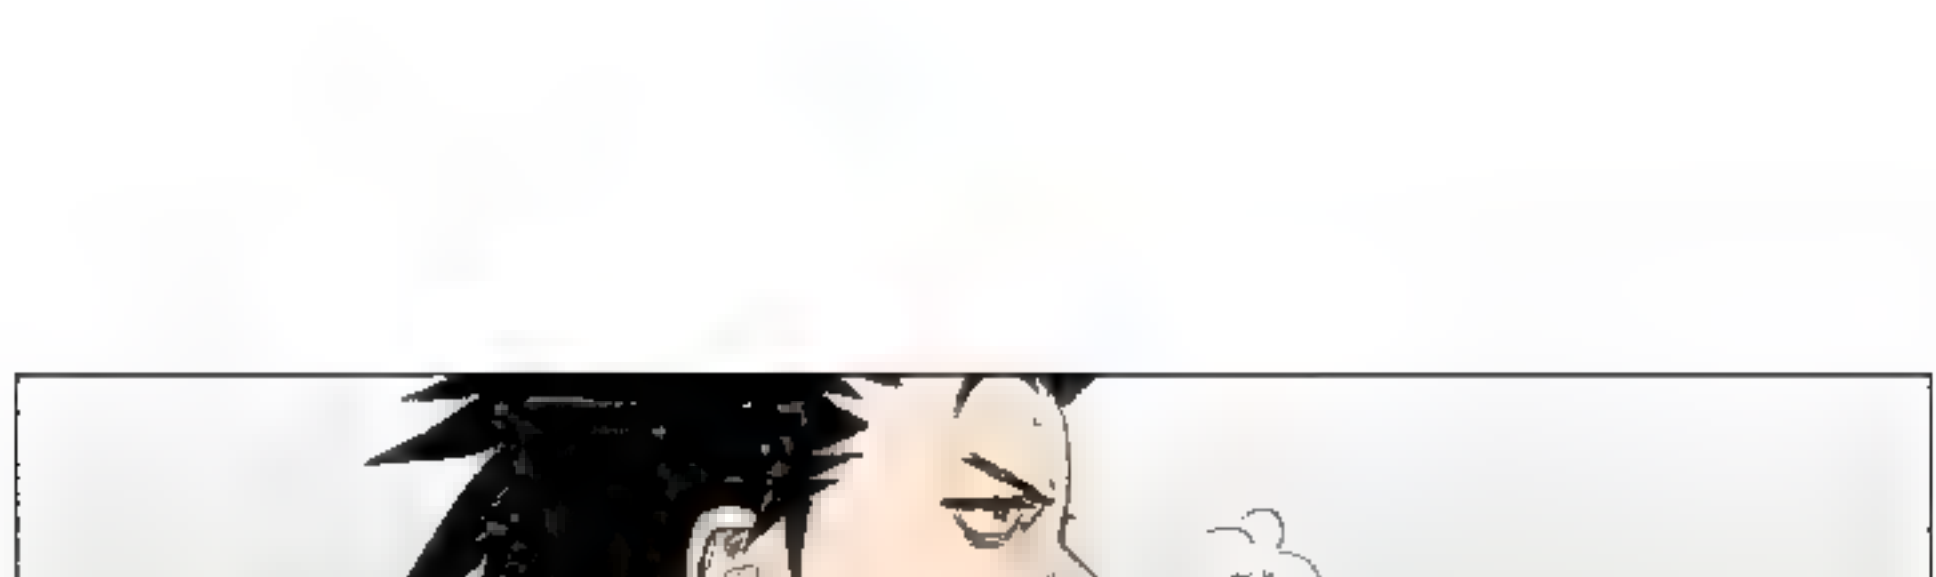

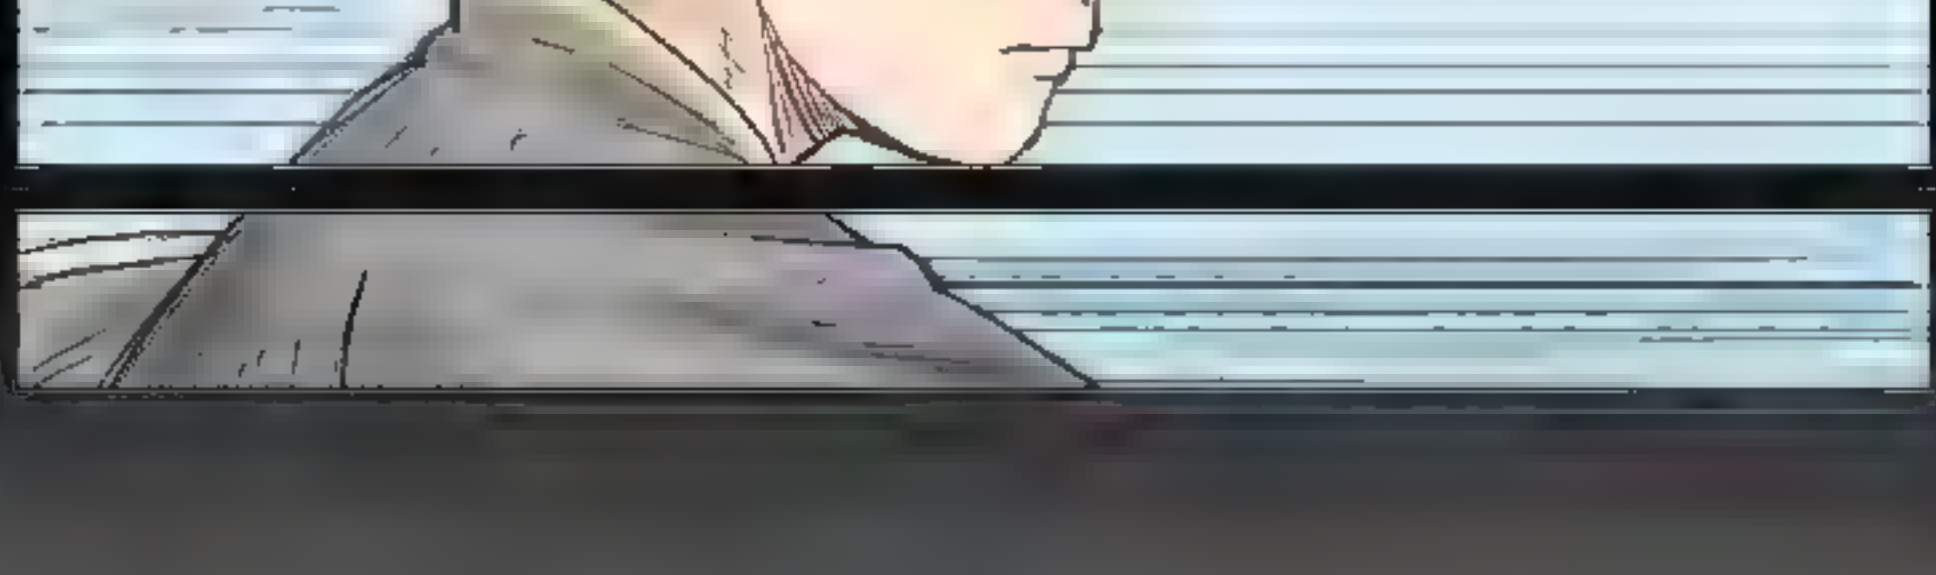

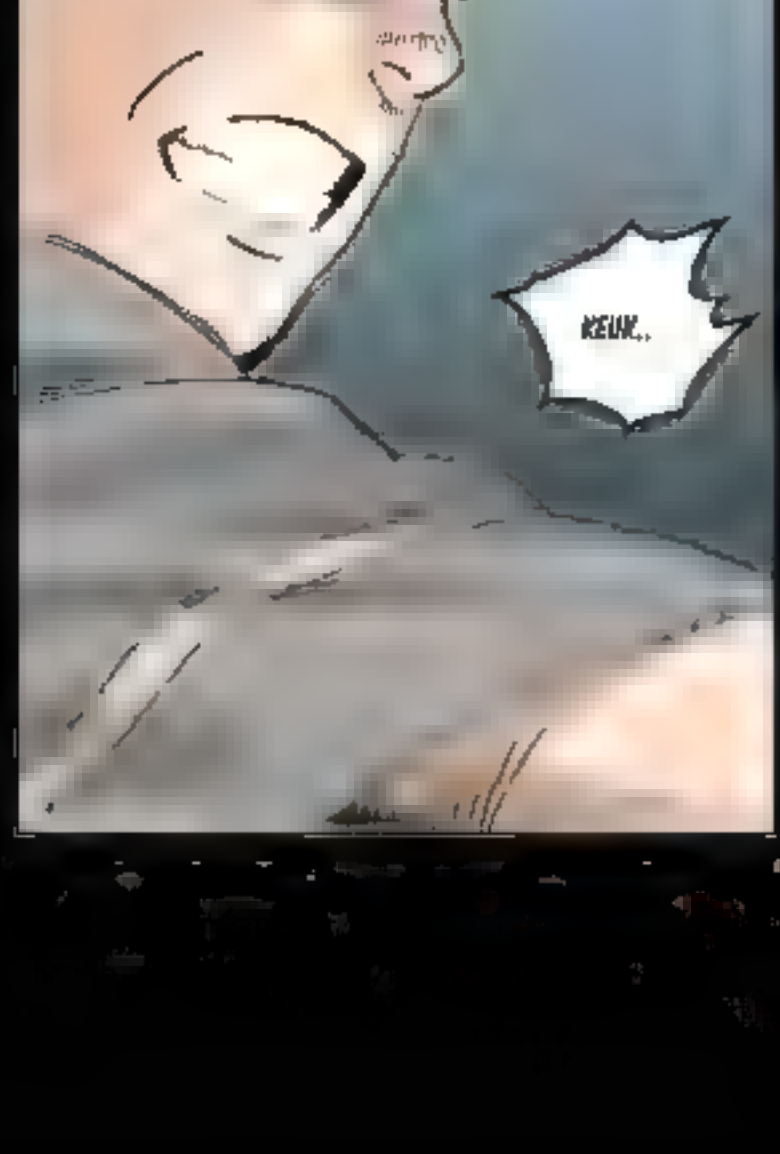

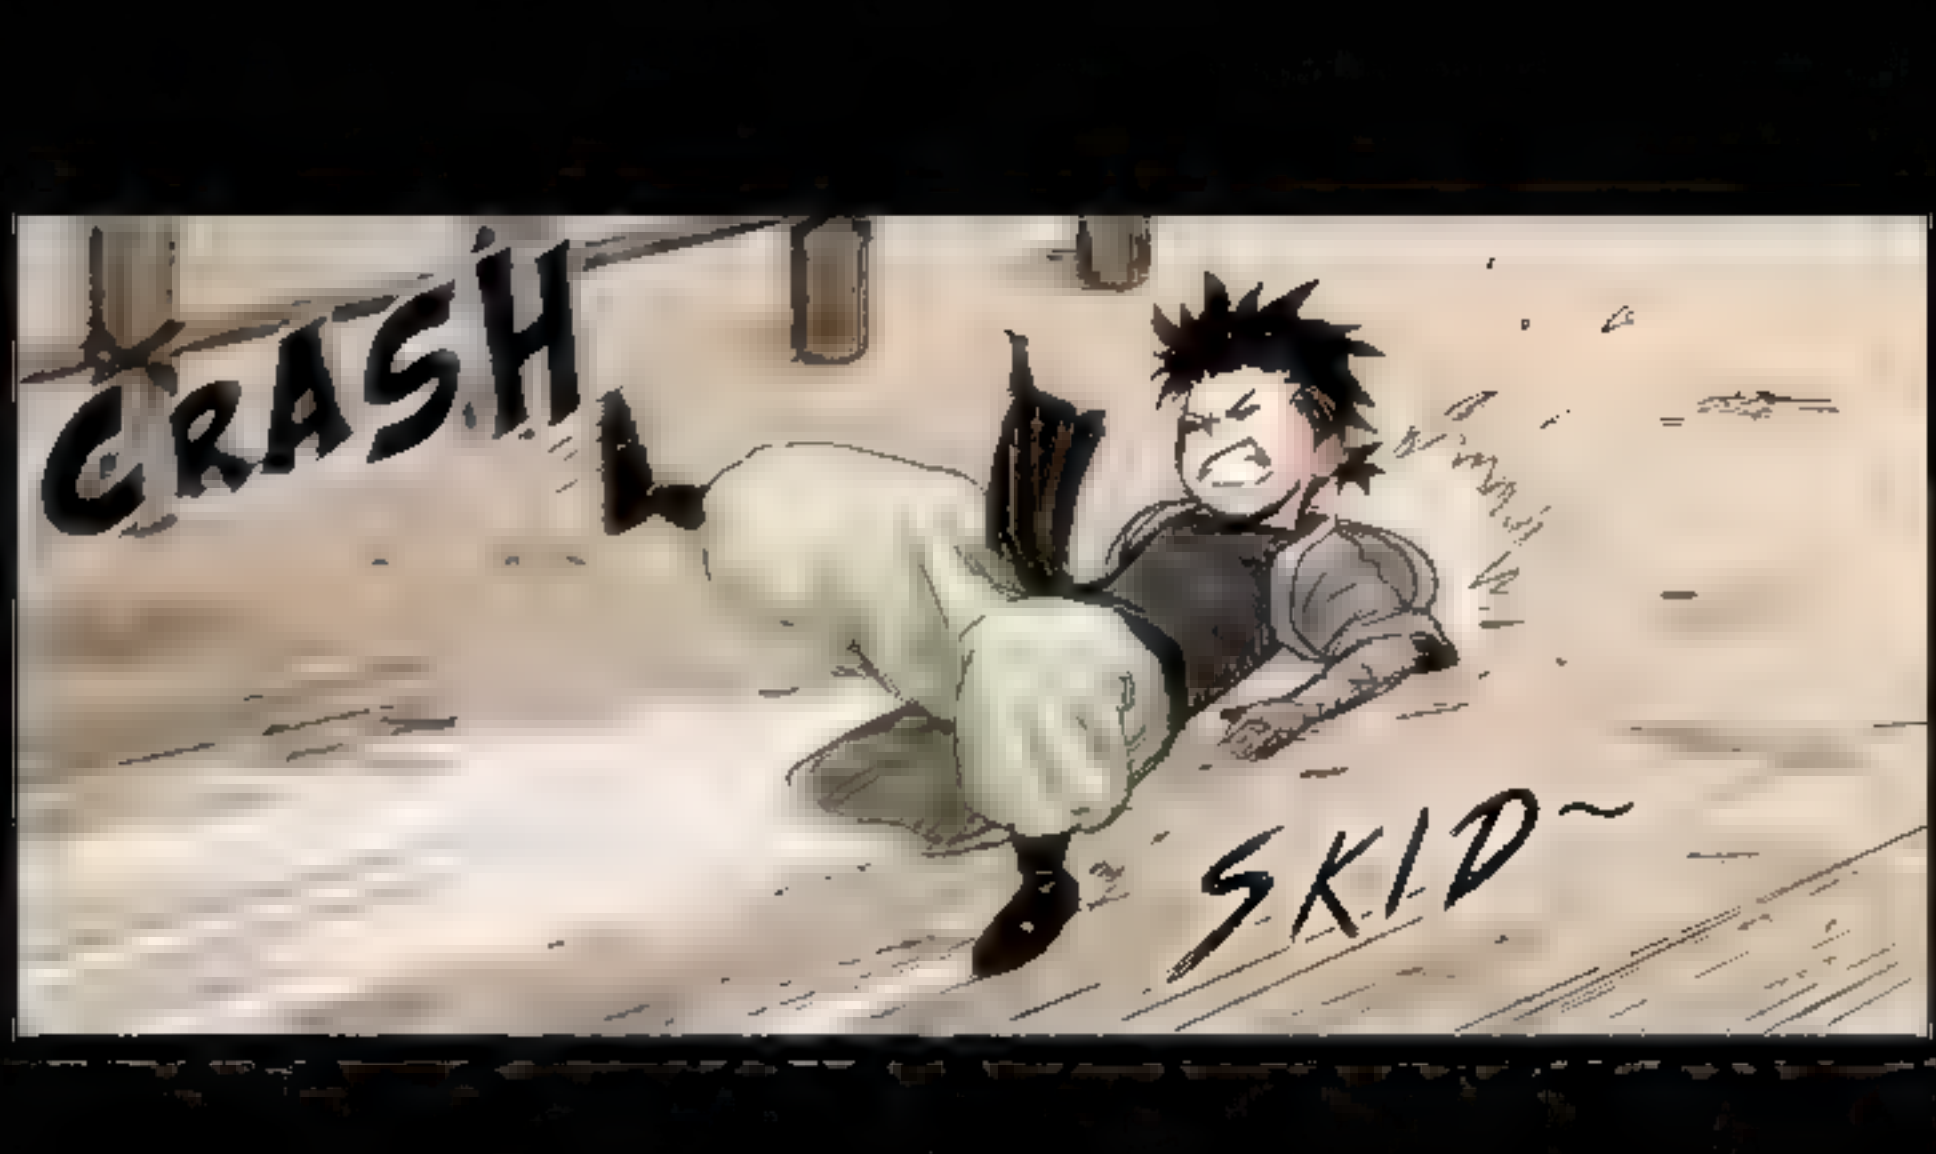

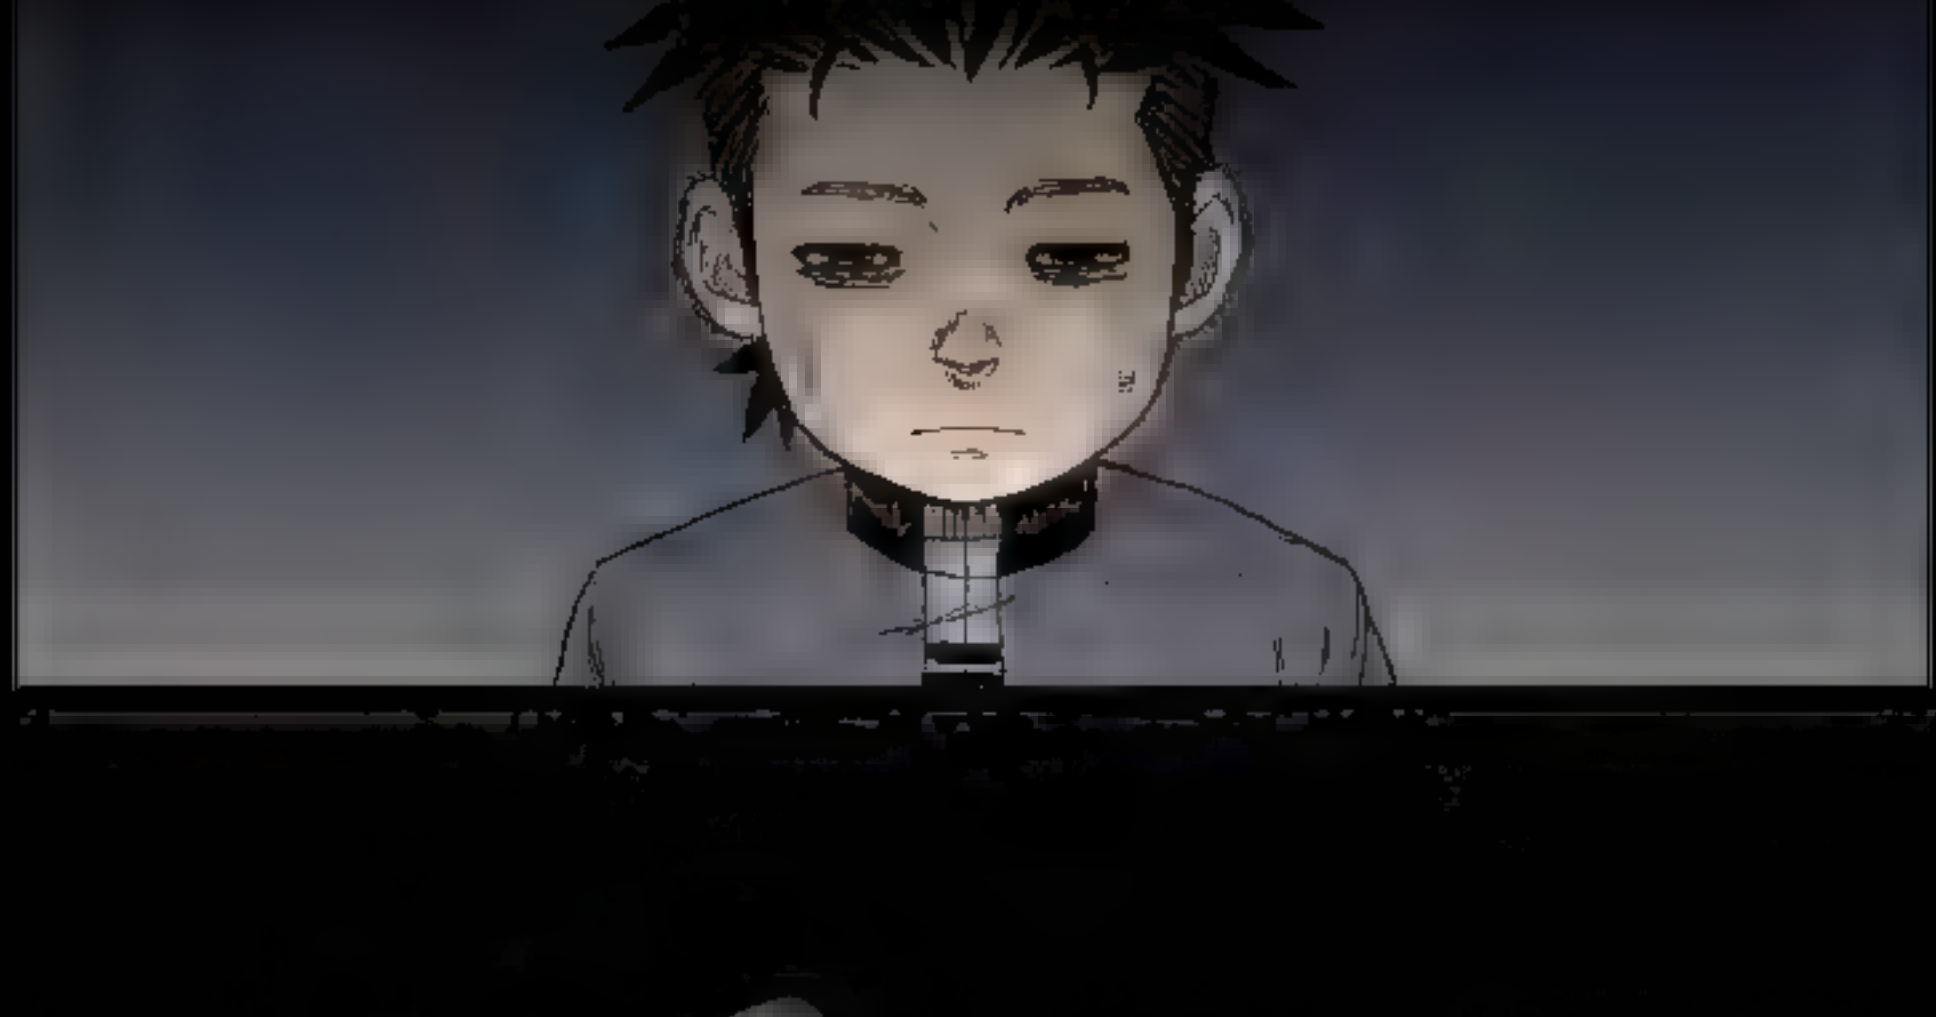

HEY,
I DON'T LIKE THIS
EITHER, BUT THERE'S
NO OTHER WAY

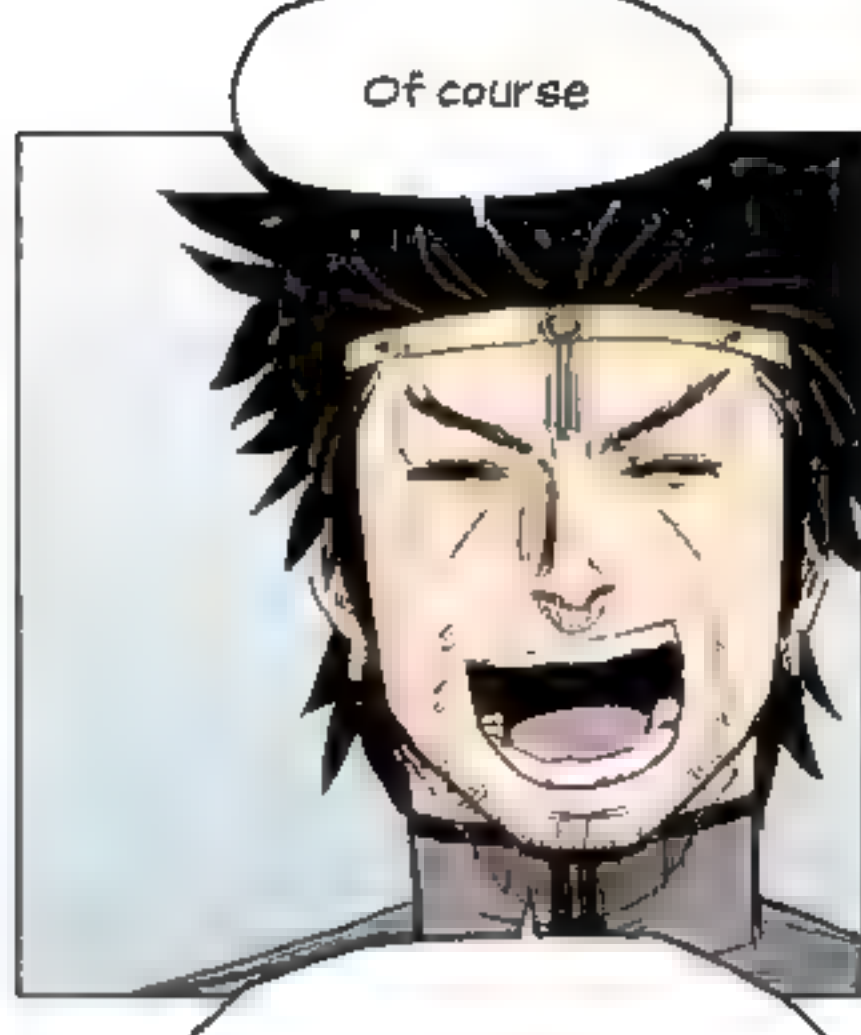

HOW ABOUT
A SHORT BREAK
EVERYONE?

GLOW OF PAREJA
BAGUNA PROVOKE
(AGE 42)
YULIAN'S FATHER

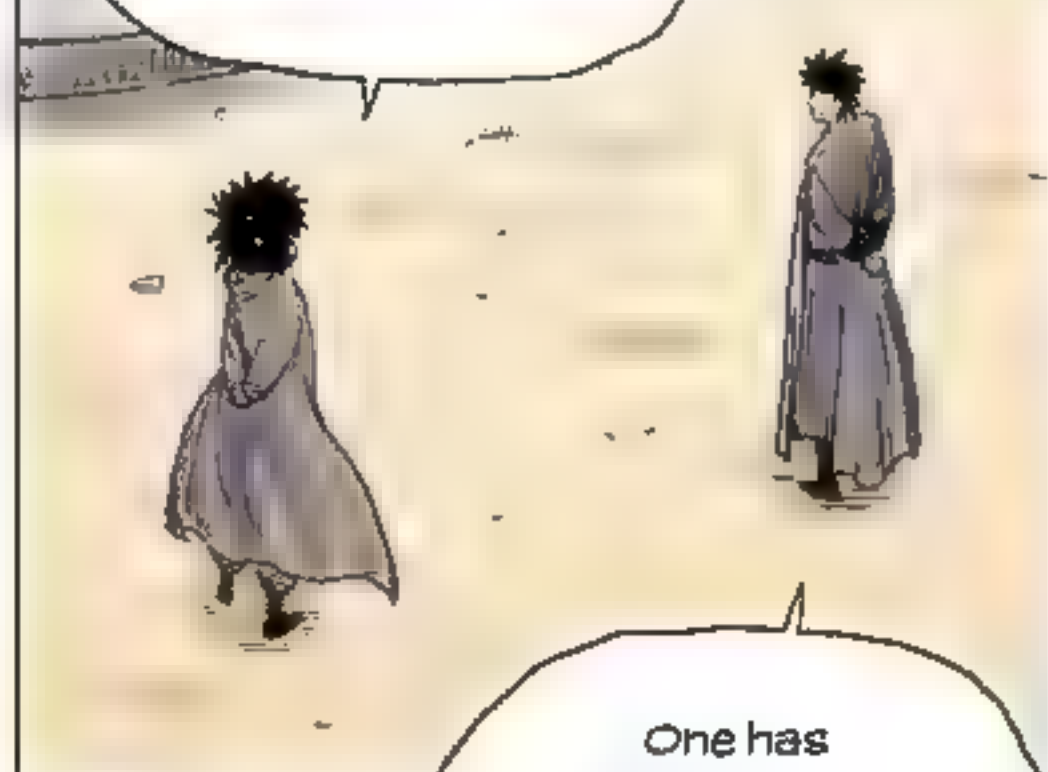

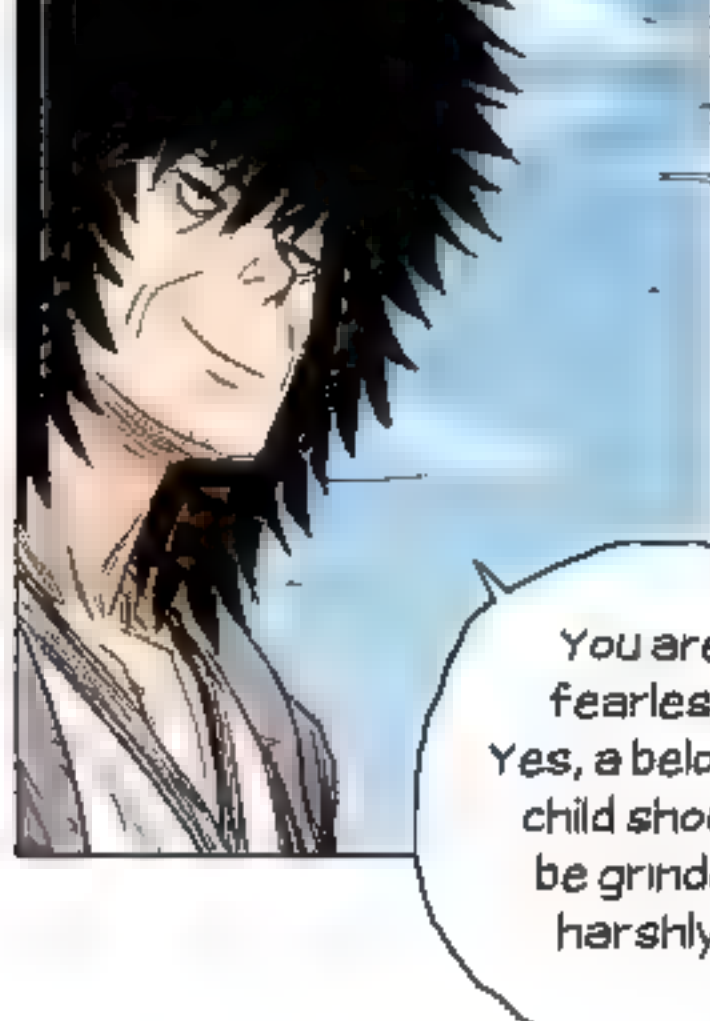

The tougher the master, the higher the chances that the young warrior will survive in the desert.

If you say so, then I will grind him for real.

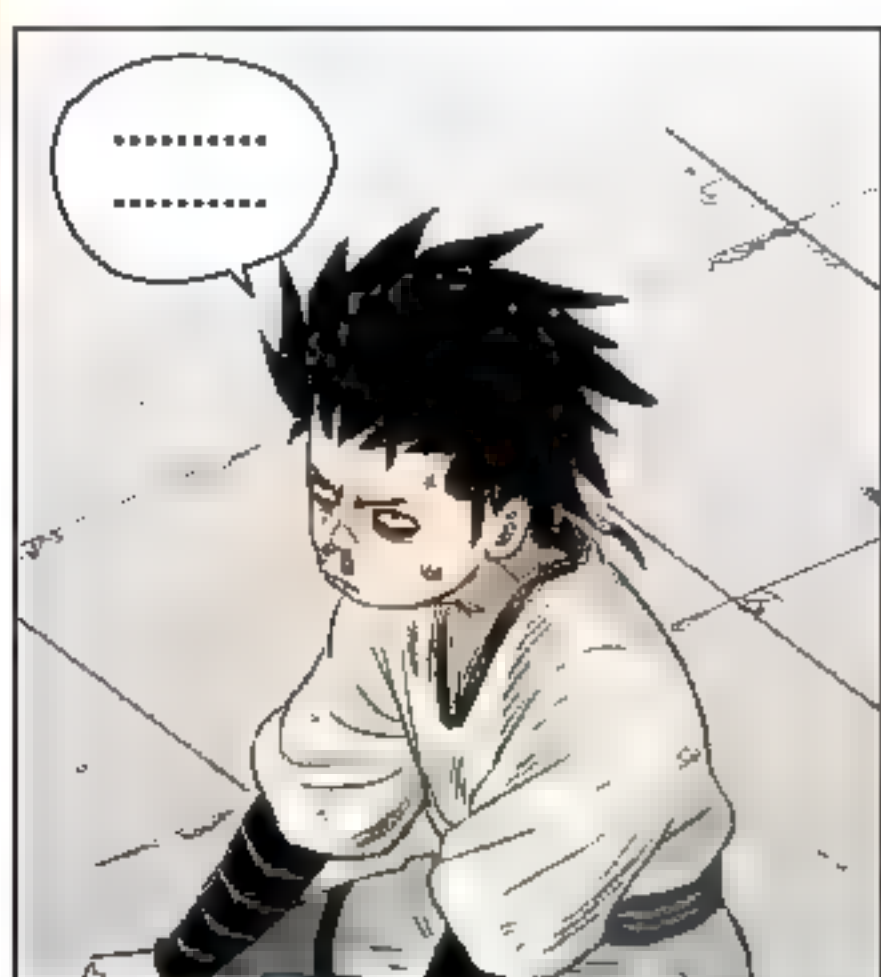

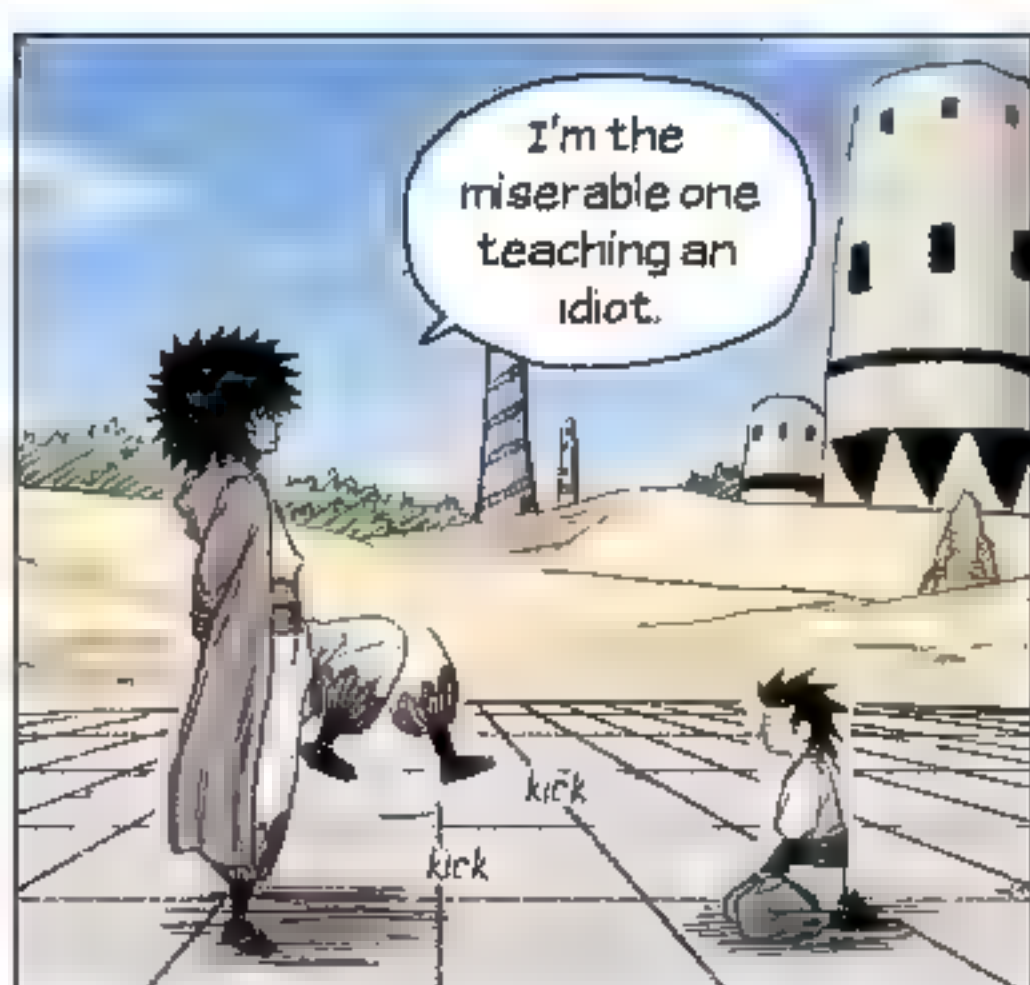

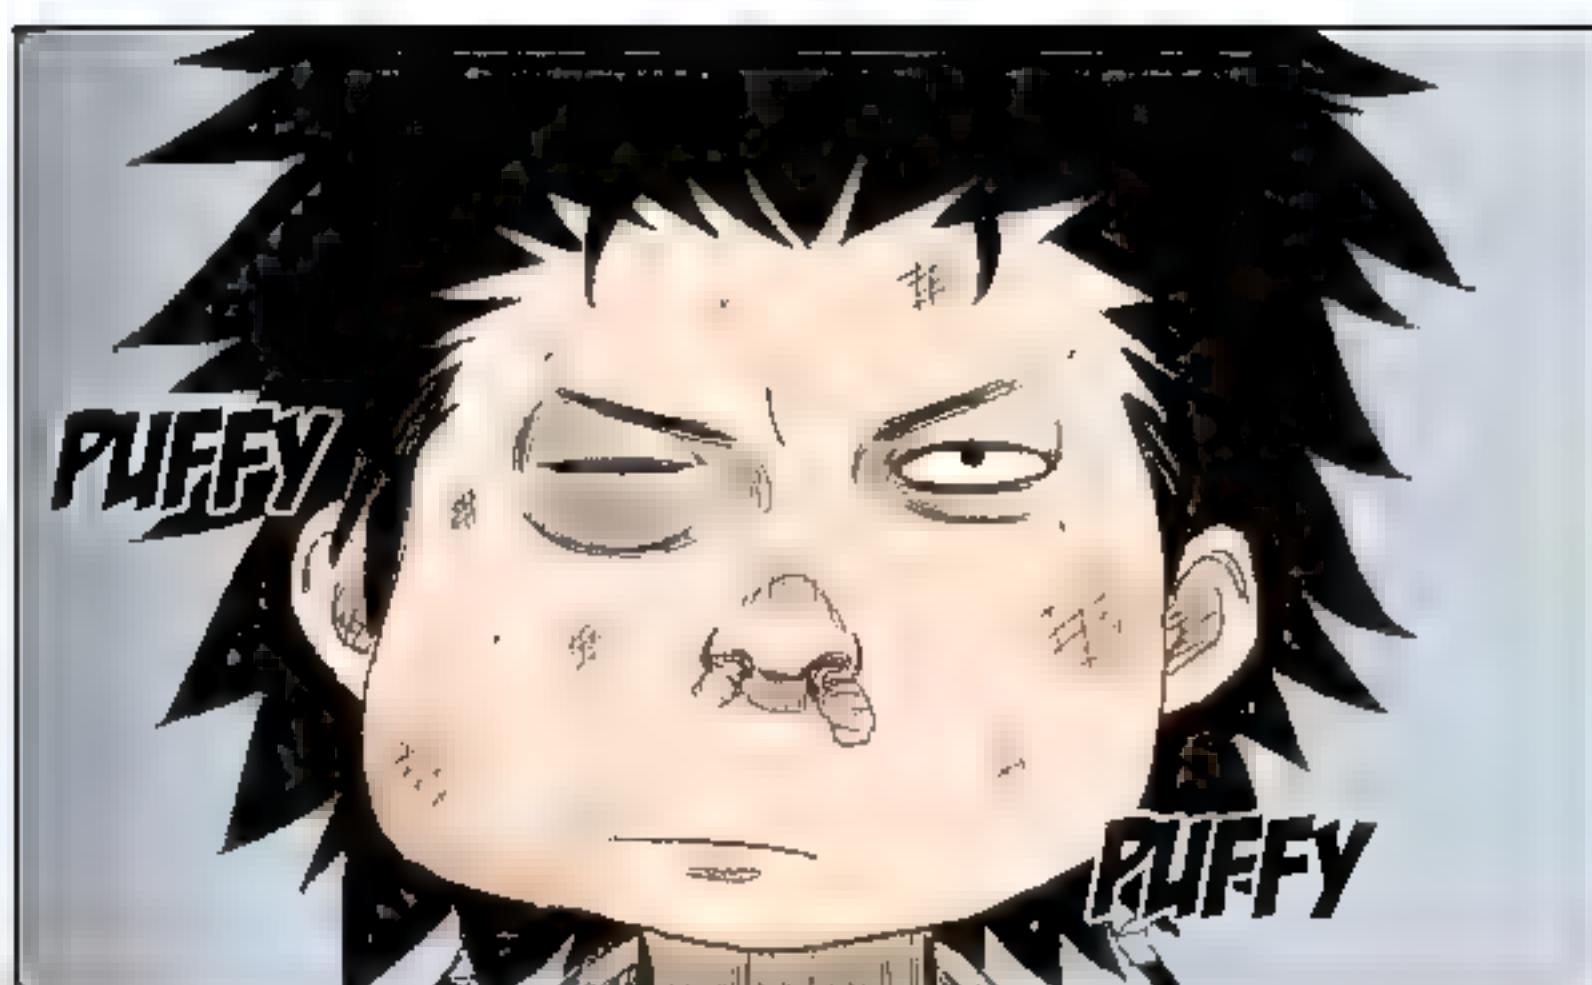

One has to learn how to roll on the ground before flying in the sky.

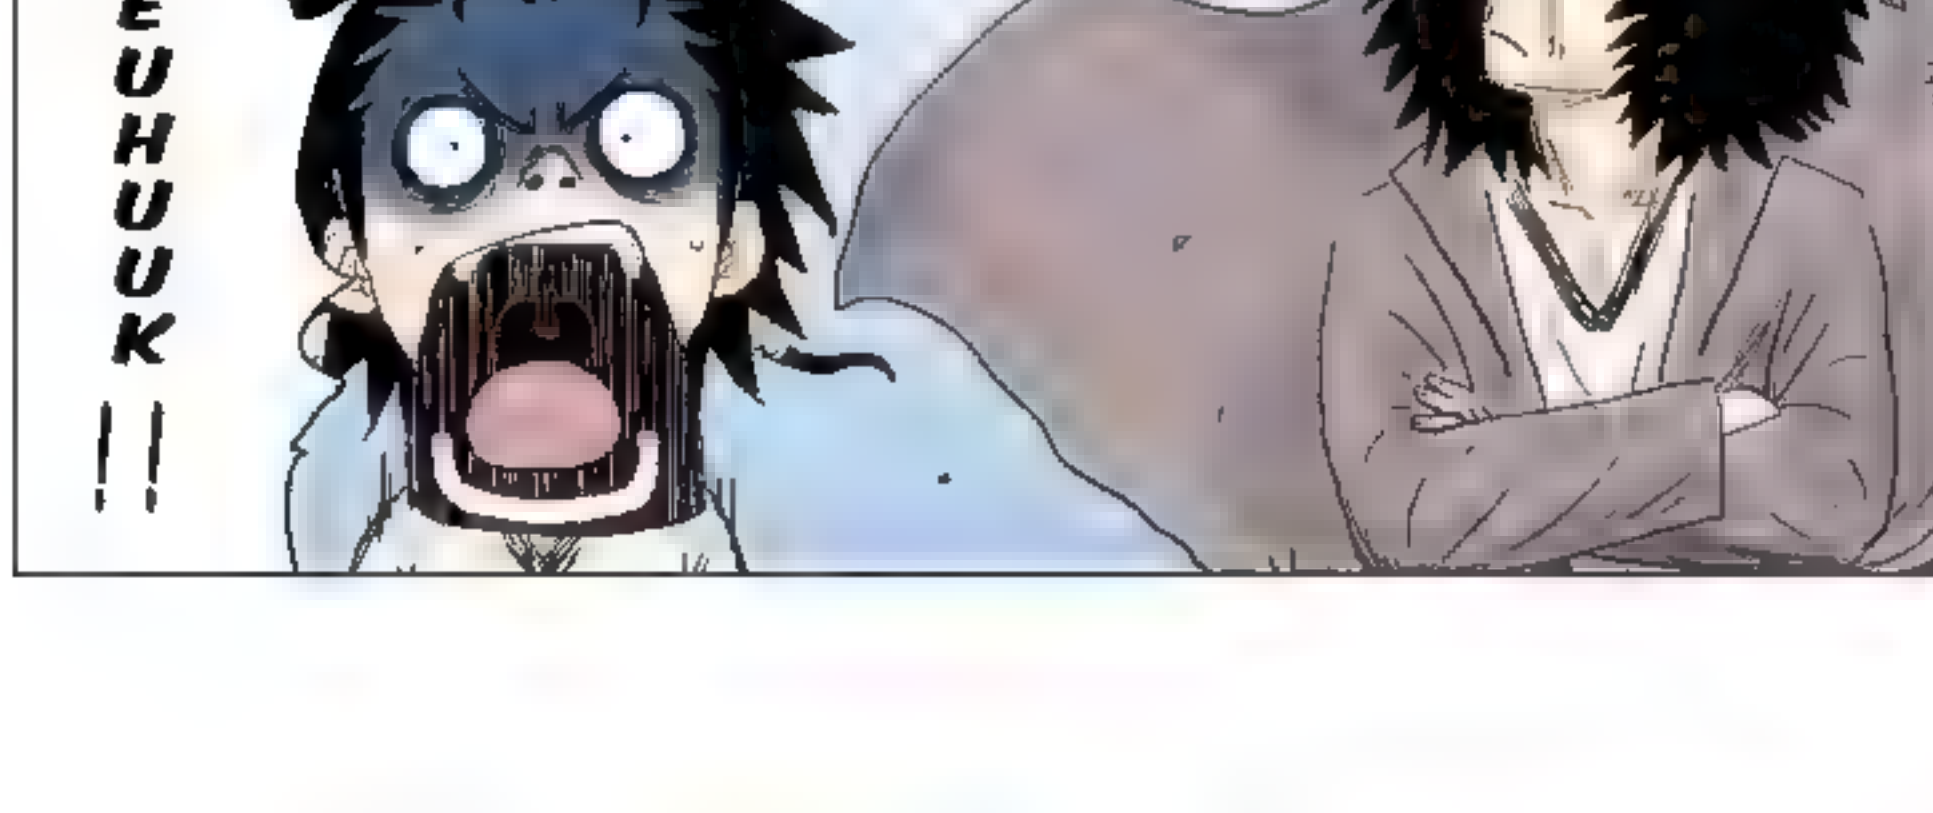

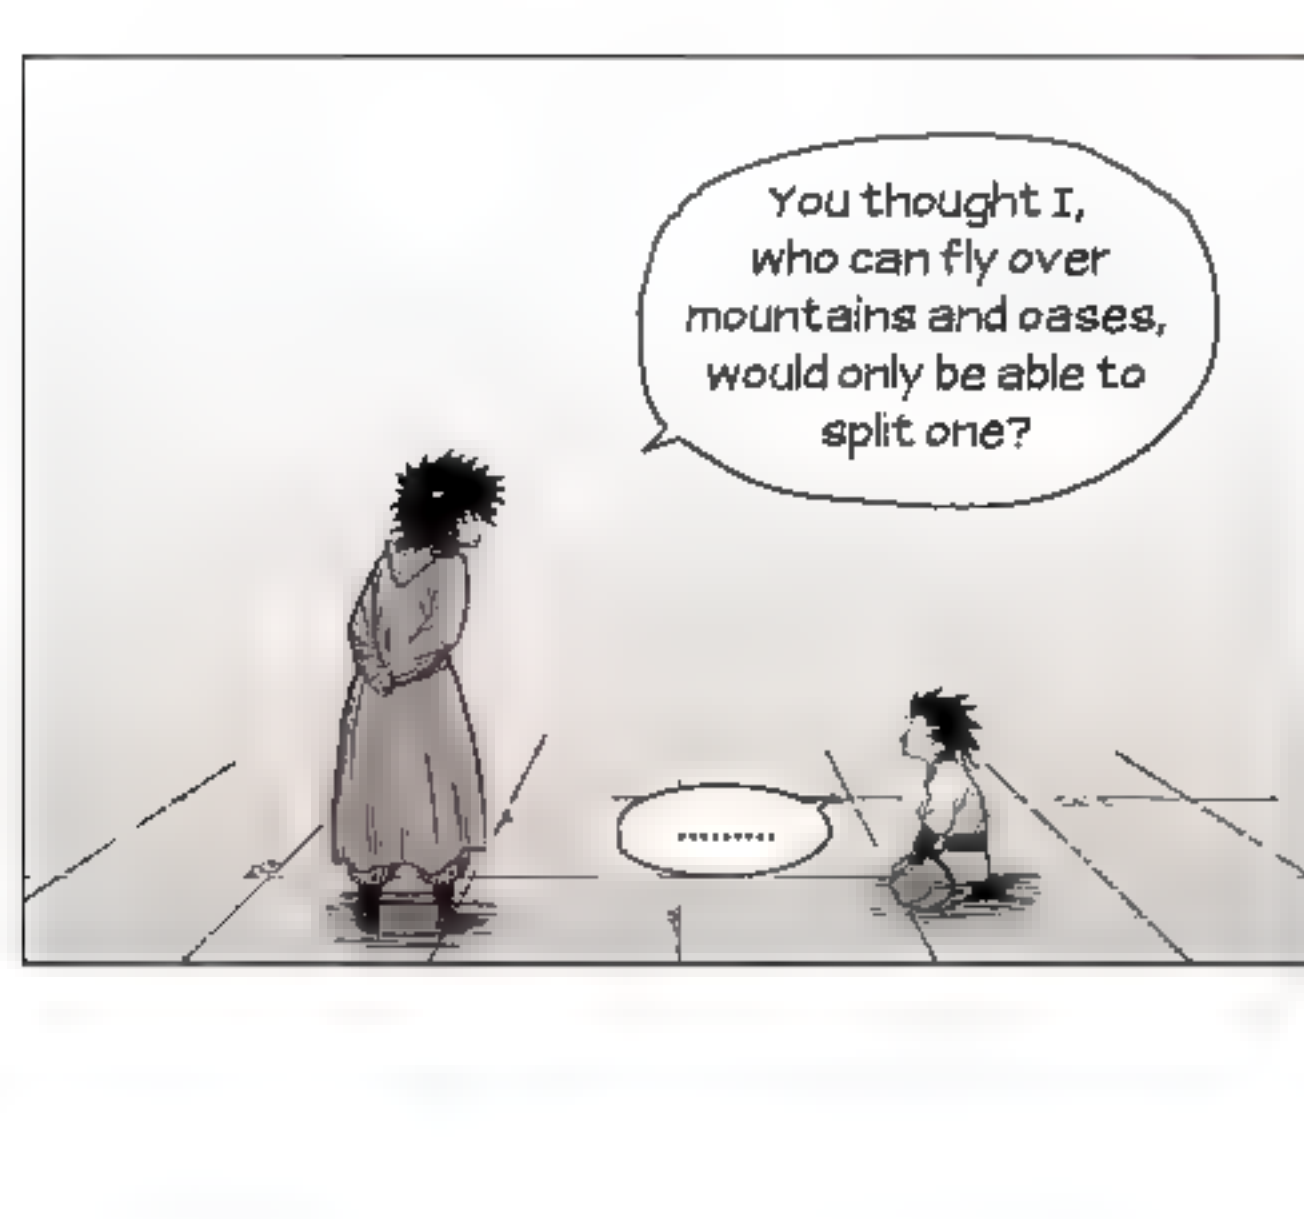

I entrust him to you.

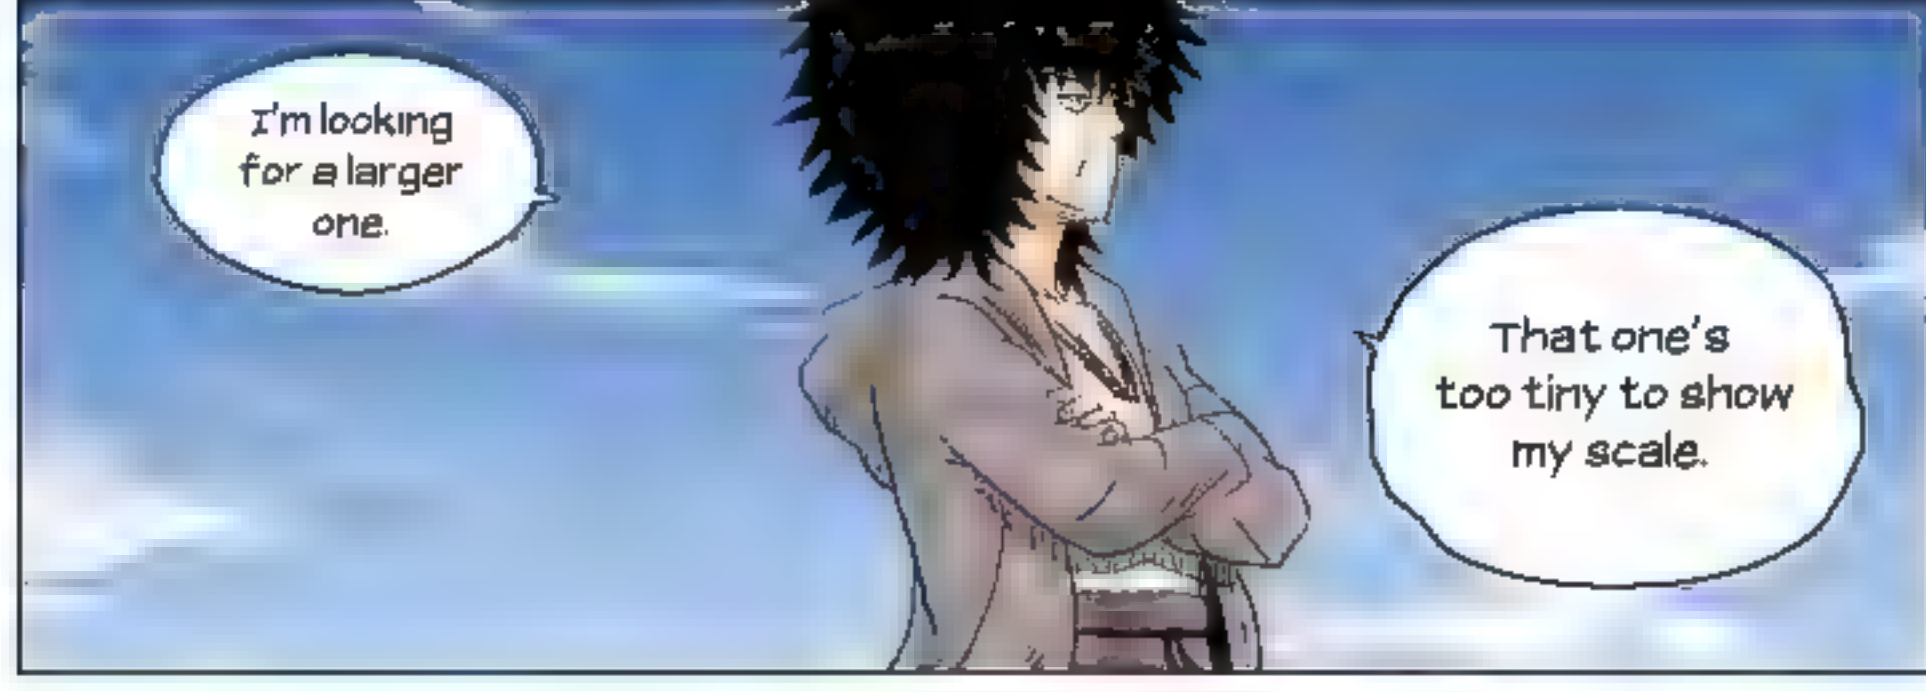

There's a similar proverb in our tribe. "Hit them so they will bow down."

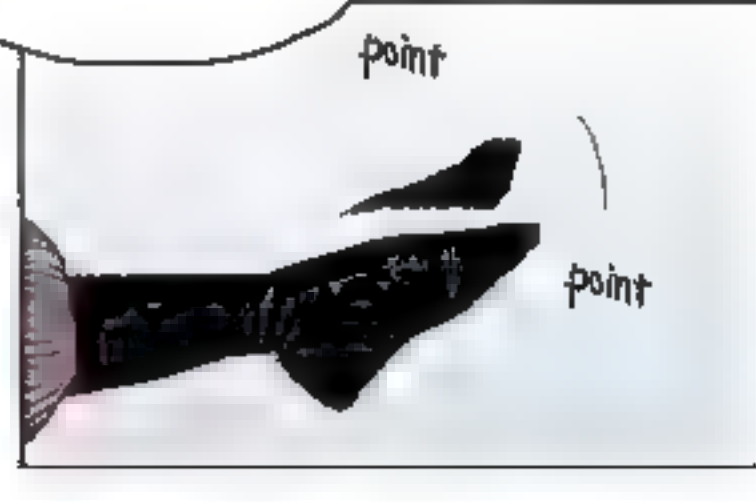

The glow said,

The tougher the master, the higher the chances that the young warrior will survive.

I was deeply moved by his words.

My student, it's time to roll.

We should finish today's training

Come at me. I'll show you my newfound determination.

YOUR DETERMINATION IS ALREADY ENOUGH!

I'LL MAKE YOU USE BOTH FEET THIS TIME!

What is that anyway? Is it valuable or something?

Depending of the beast's element and strength, it will vary on color and size.

magic, huh?

I've only heard of it too.

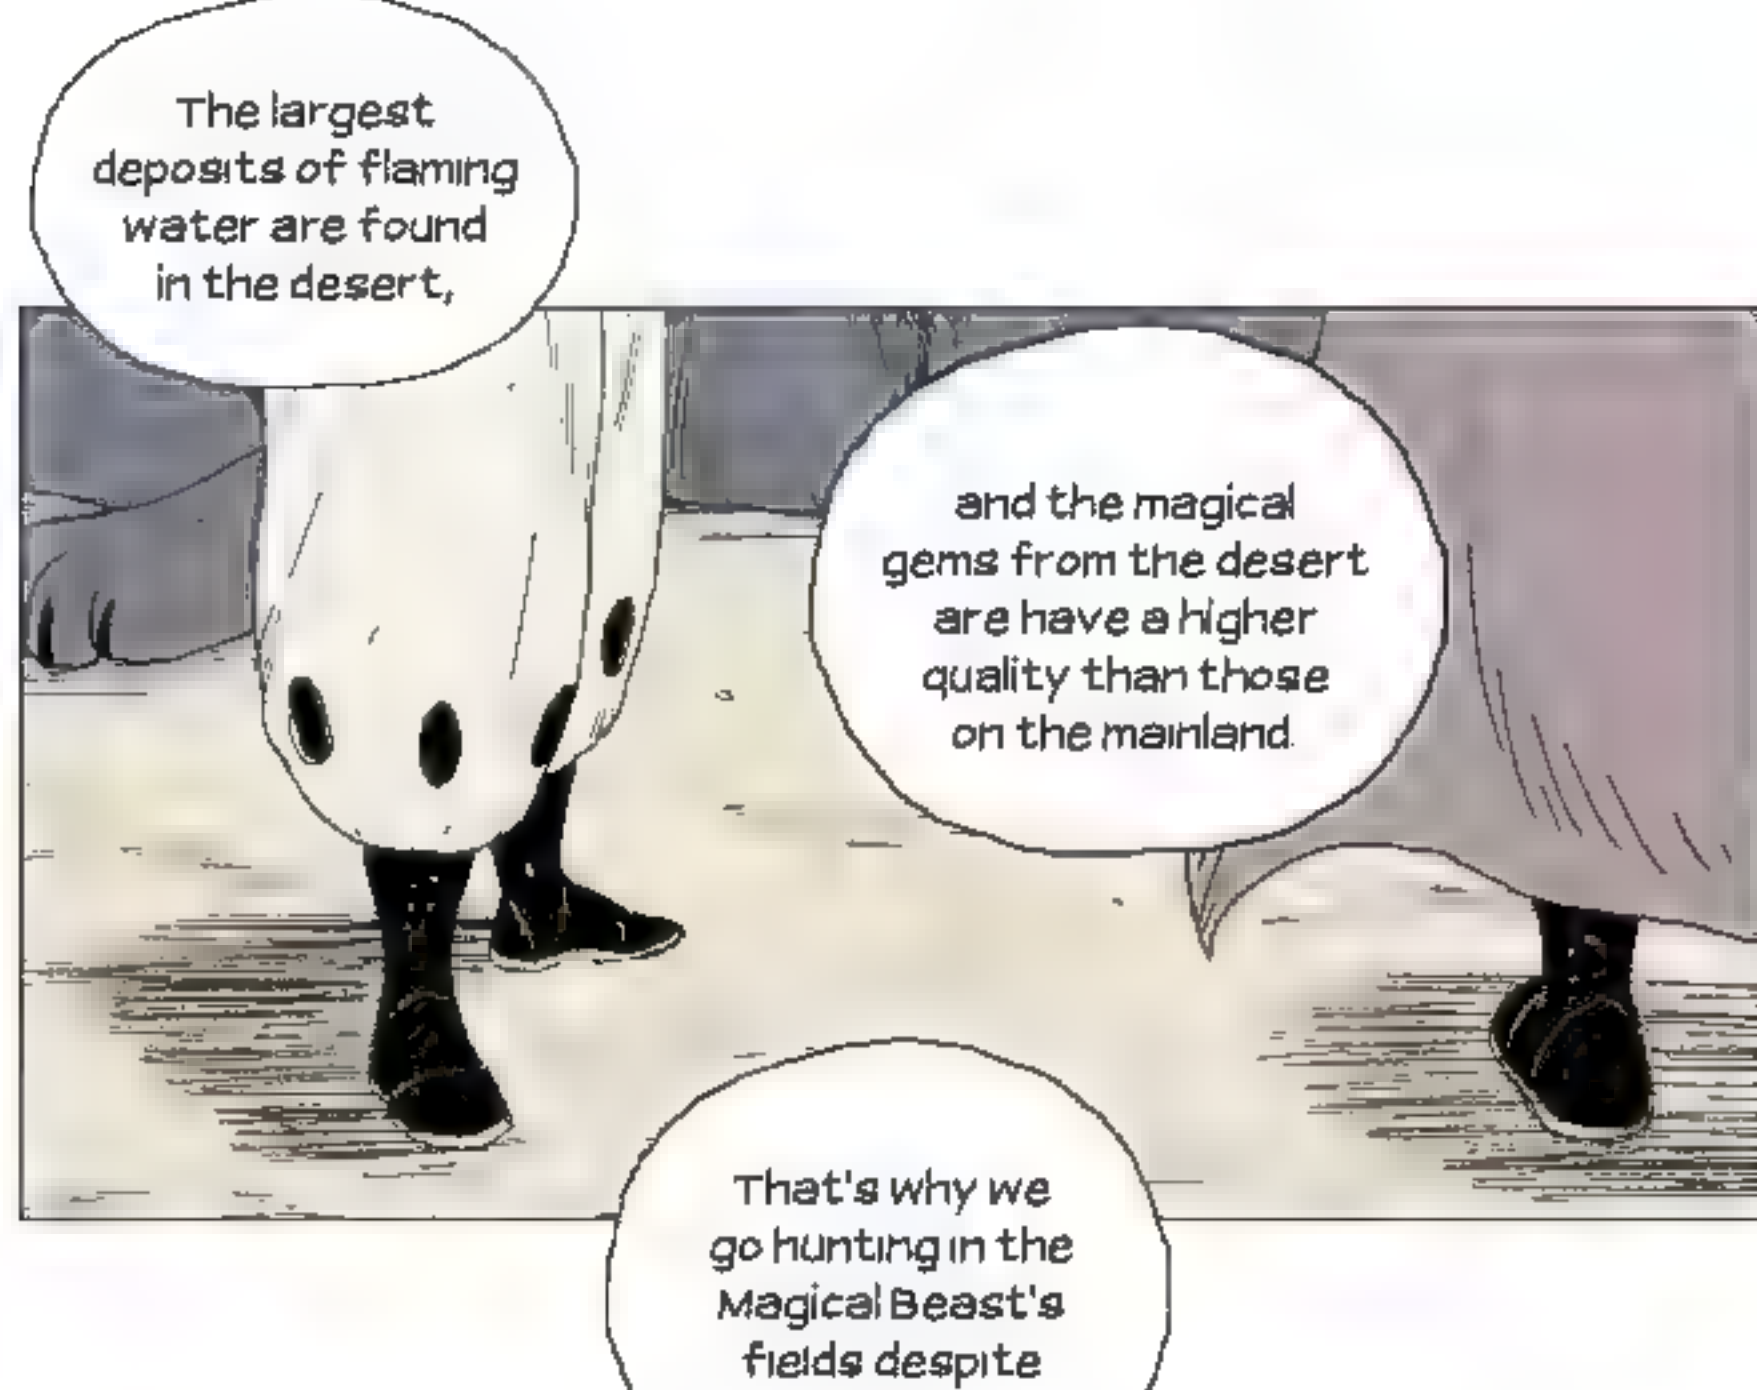

So do you trade it for steel?

Yes. The flaming water and the magic gemstones are our most valuable assets.

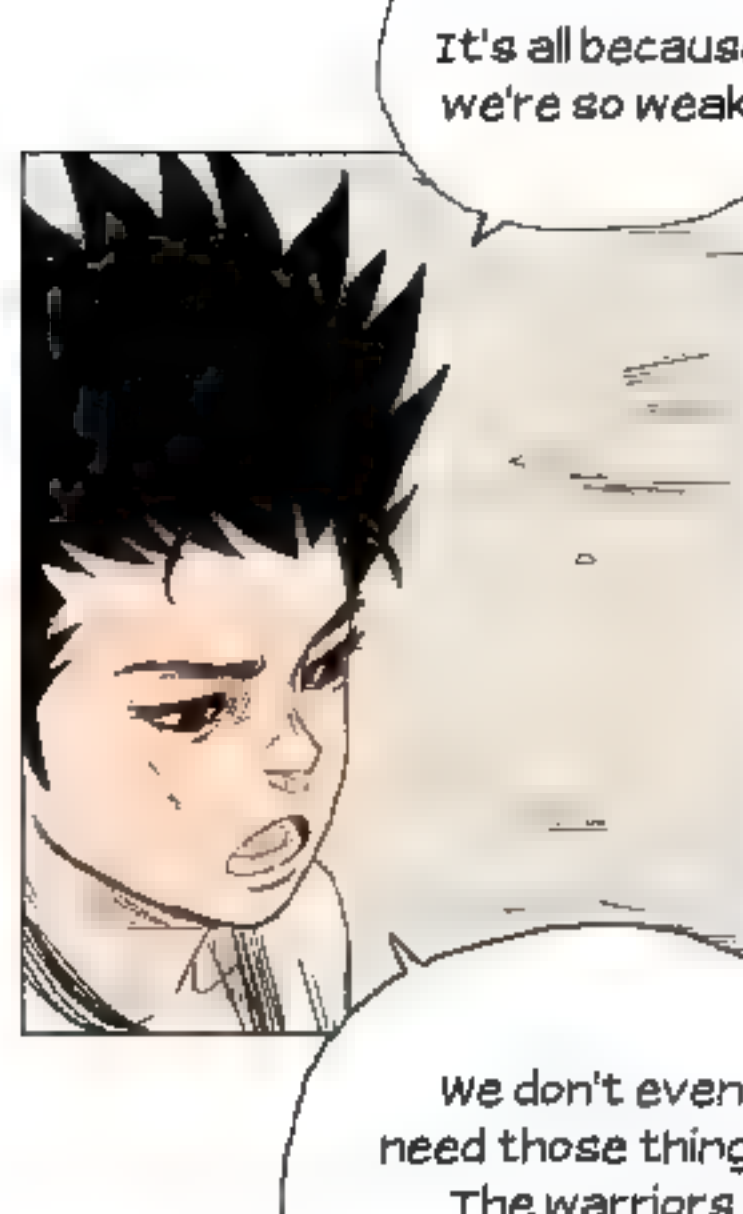

Are those only found in the desert?

The largest deposits of flaming water are found in the desert,

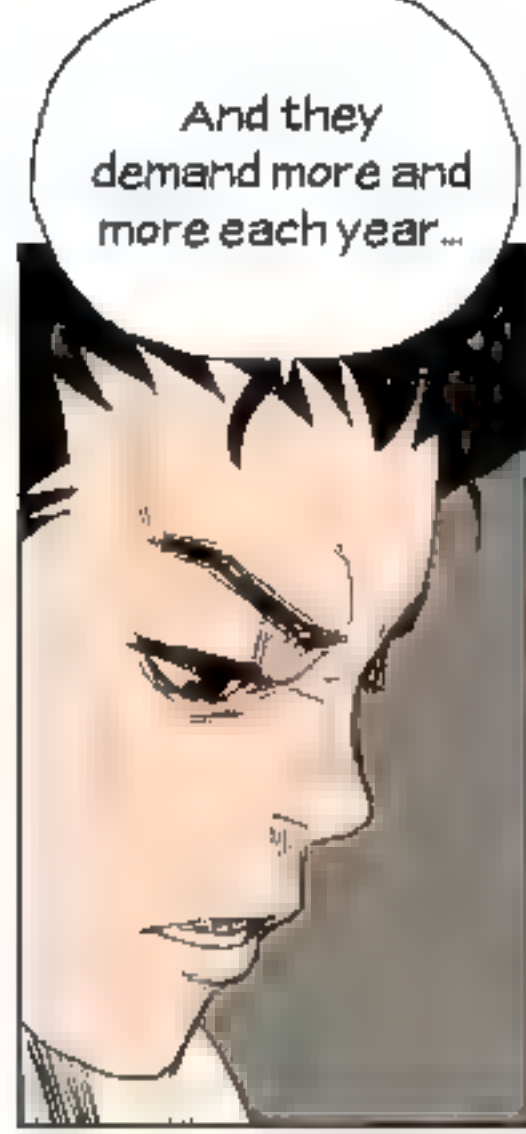

and the magical gems from the desert are have a higher quality than those on the mainland

That's why we go hunting in the Magical Beast's fields despite the risks

It's all because we're so weak

We don't even need those things... The warriors sacrifice a lot for these things too.

And they demand more and more each year...

That's how human greed usually is.

If our tribe is united,

and all the other tribes unite, we won't have to suffer under them anymore.

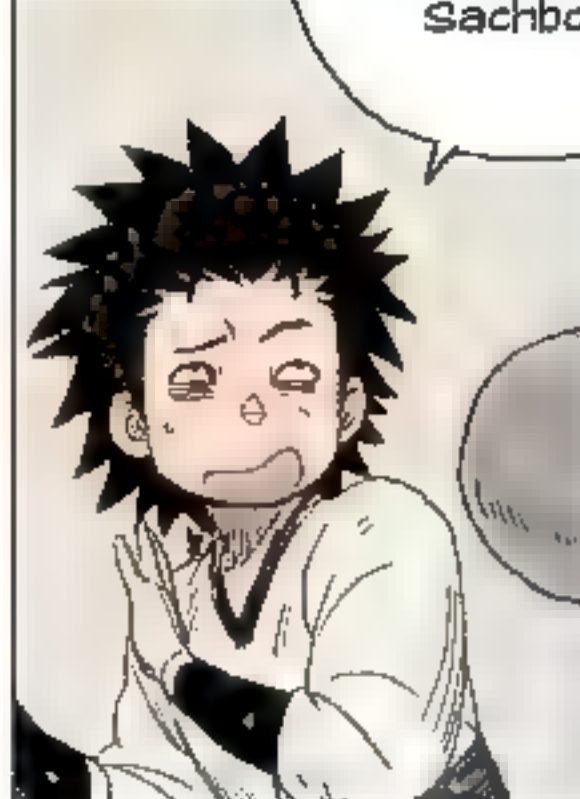

That's why you work so hard, right?

Yes.

But,

if something like this took you three days, when are you going to accomplish that goal?

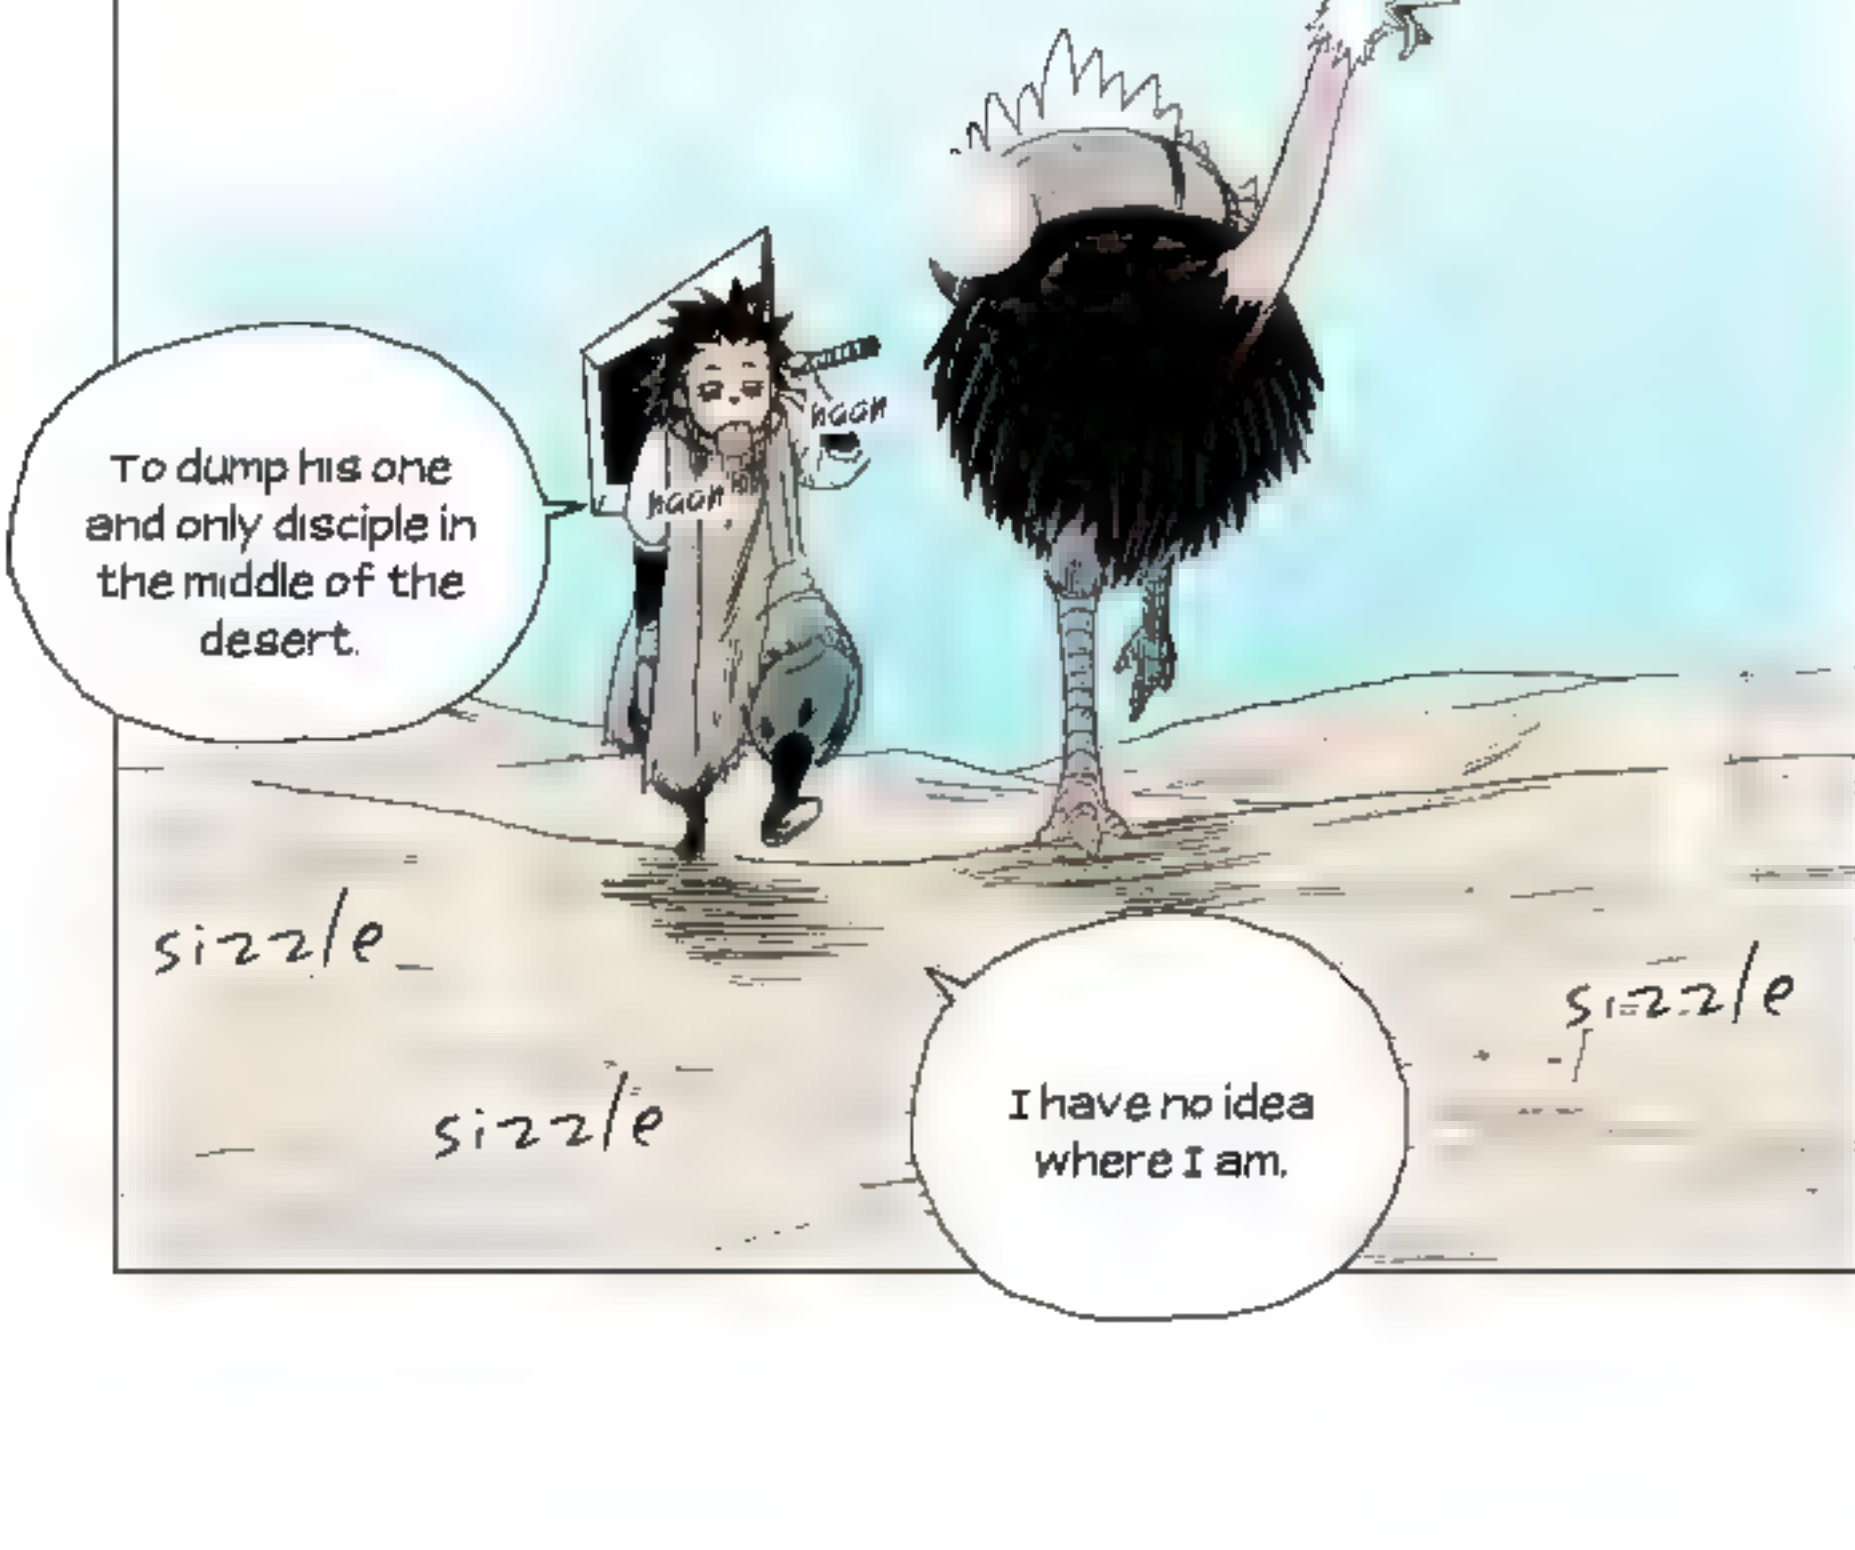

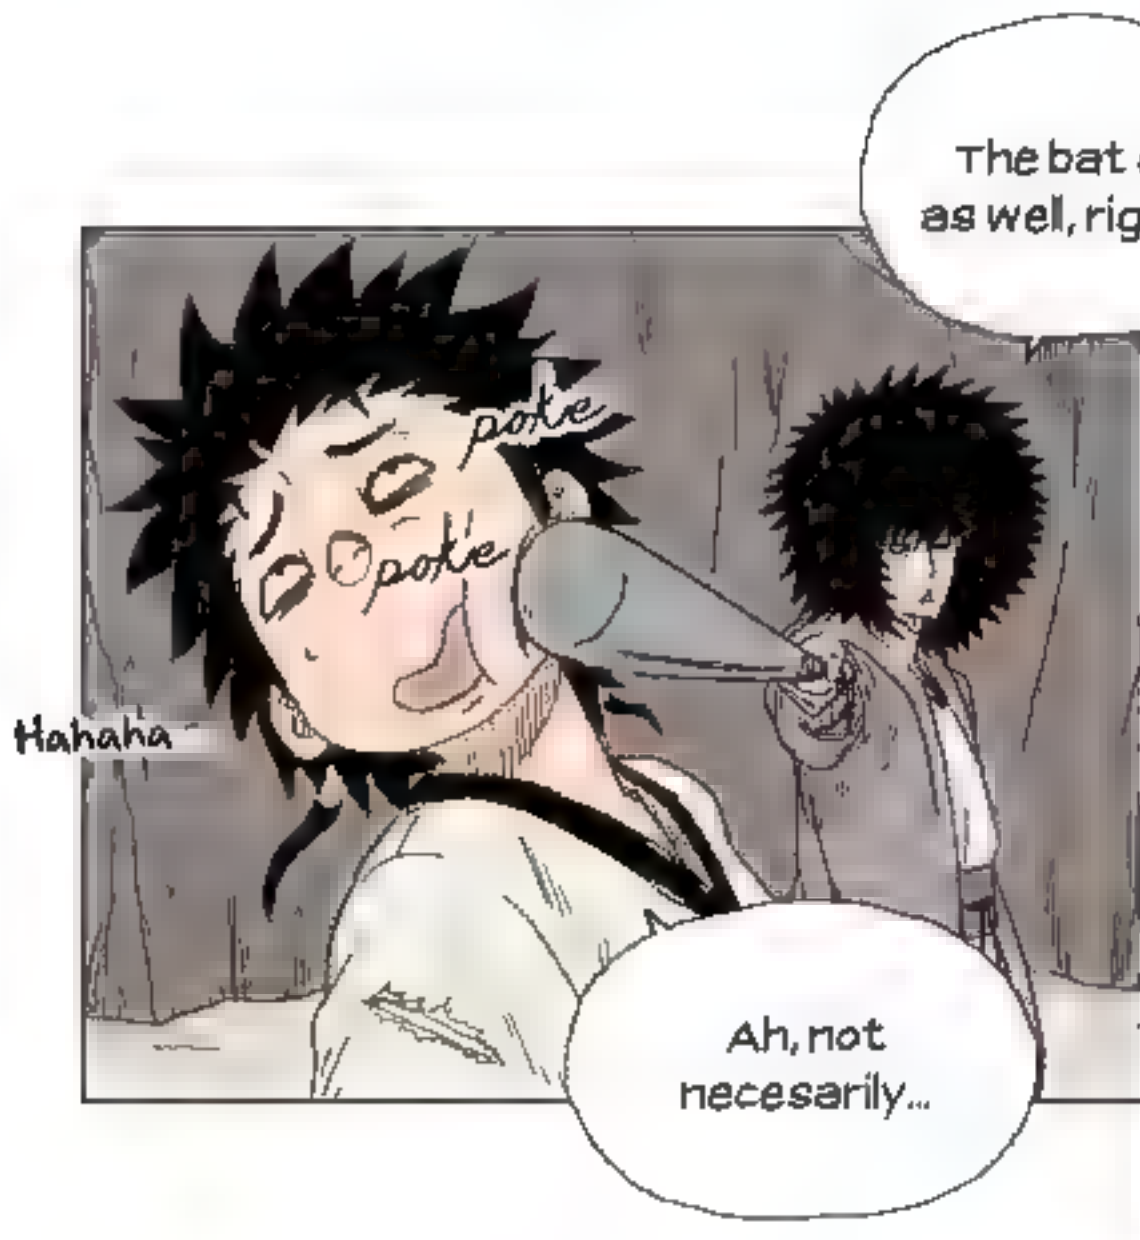

But even the adult warriors have trouble handling the Sachbochas!

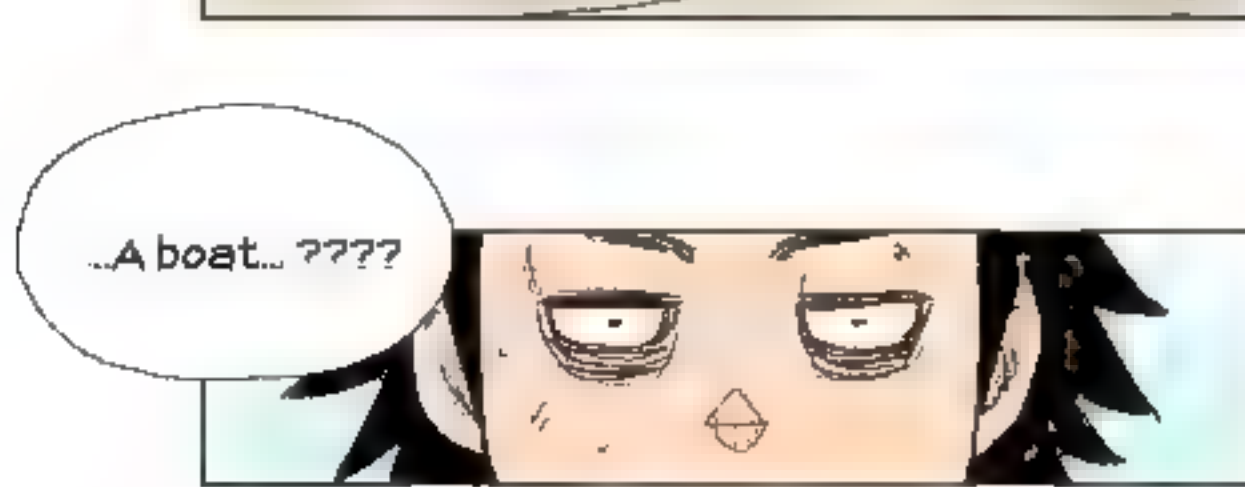

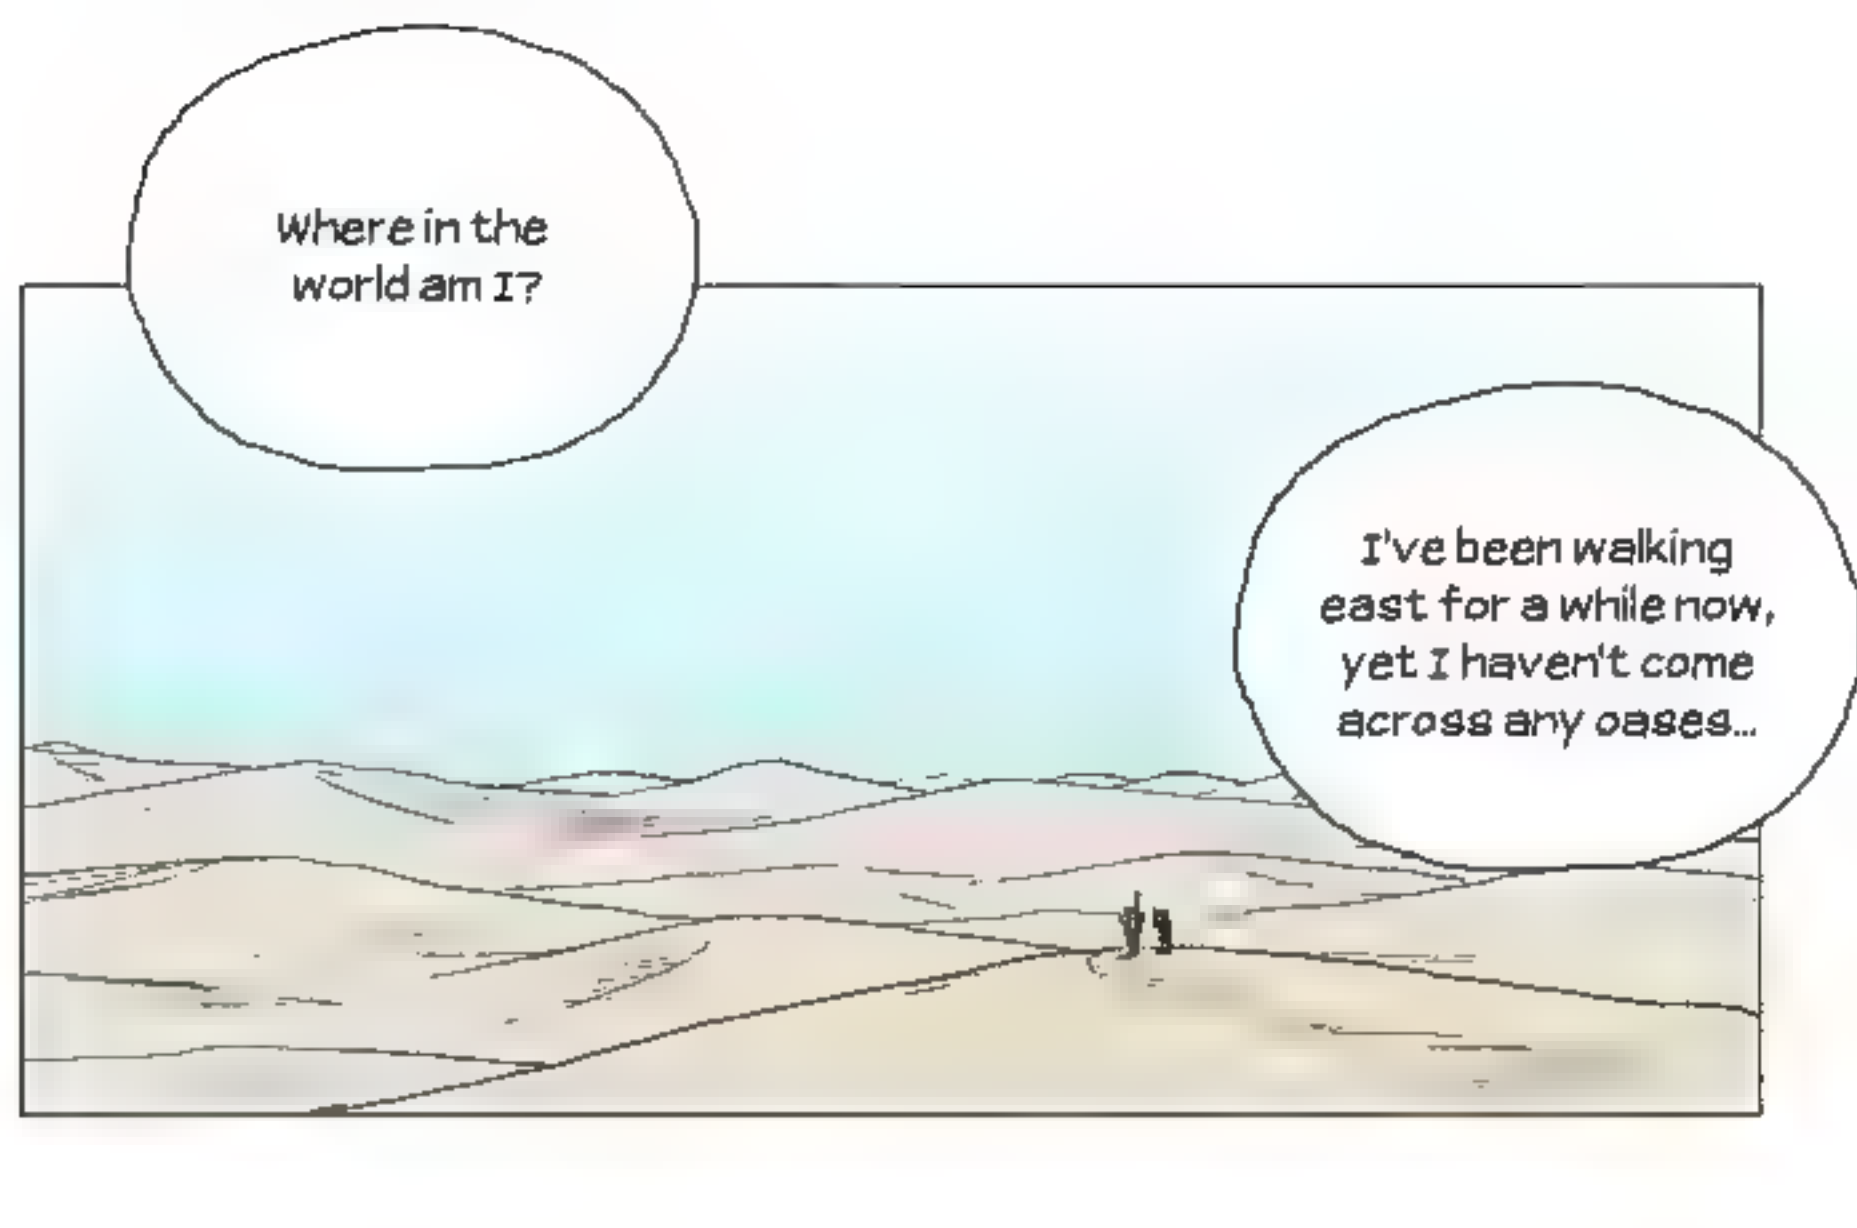

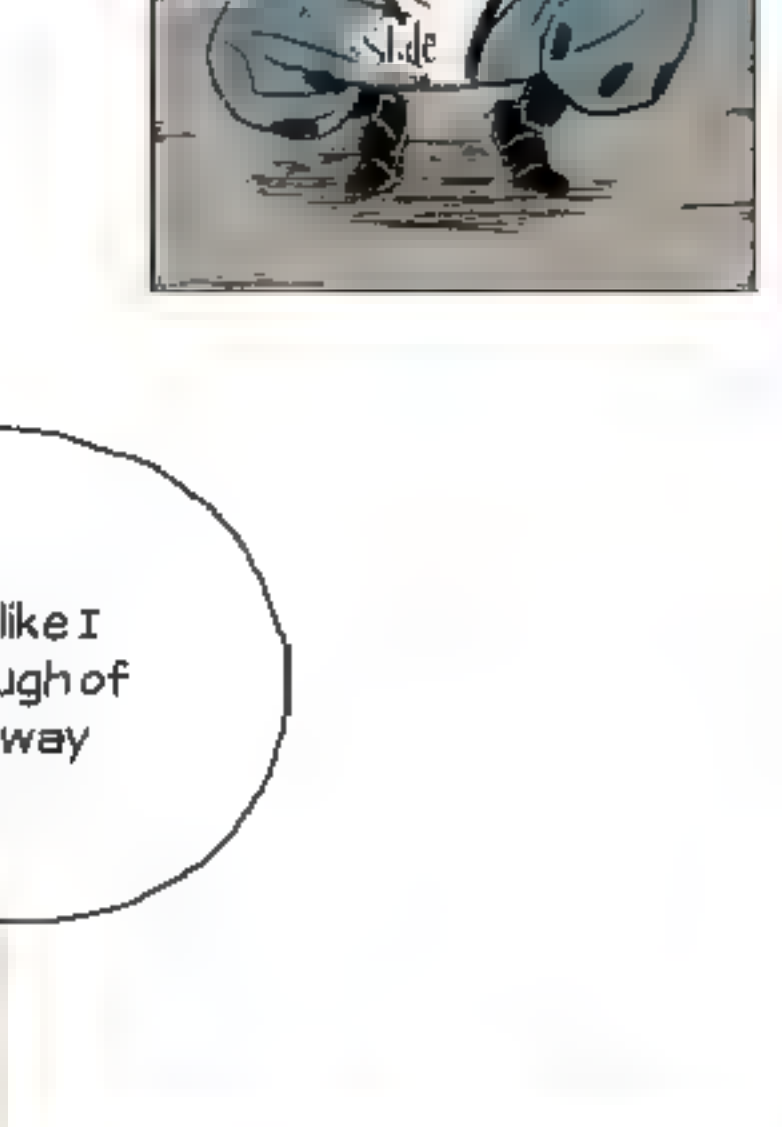

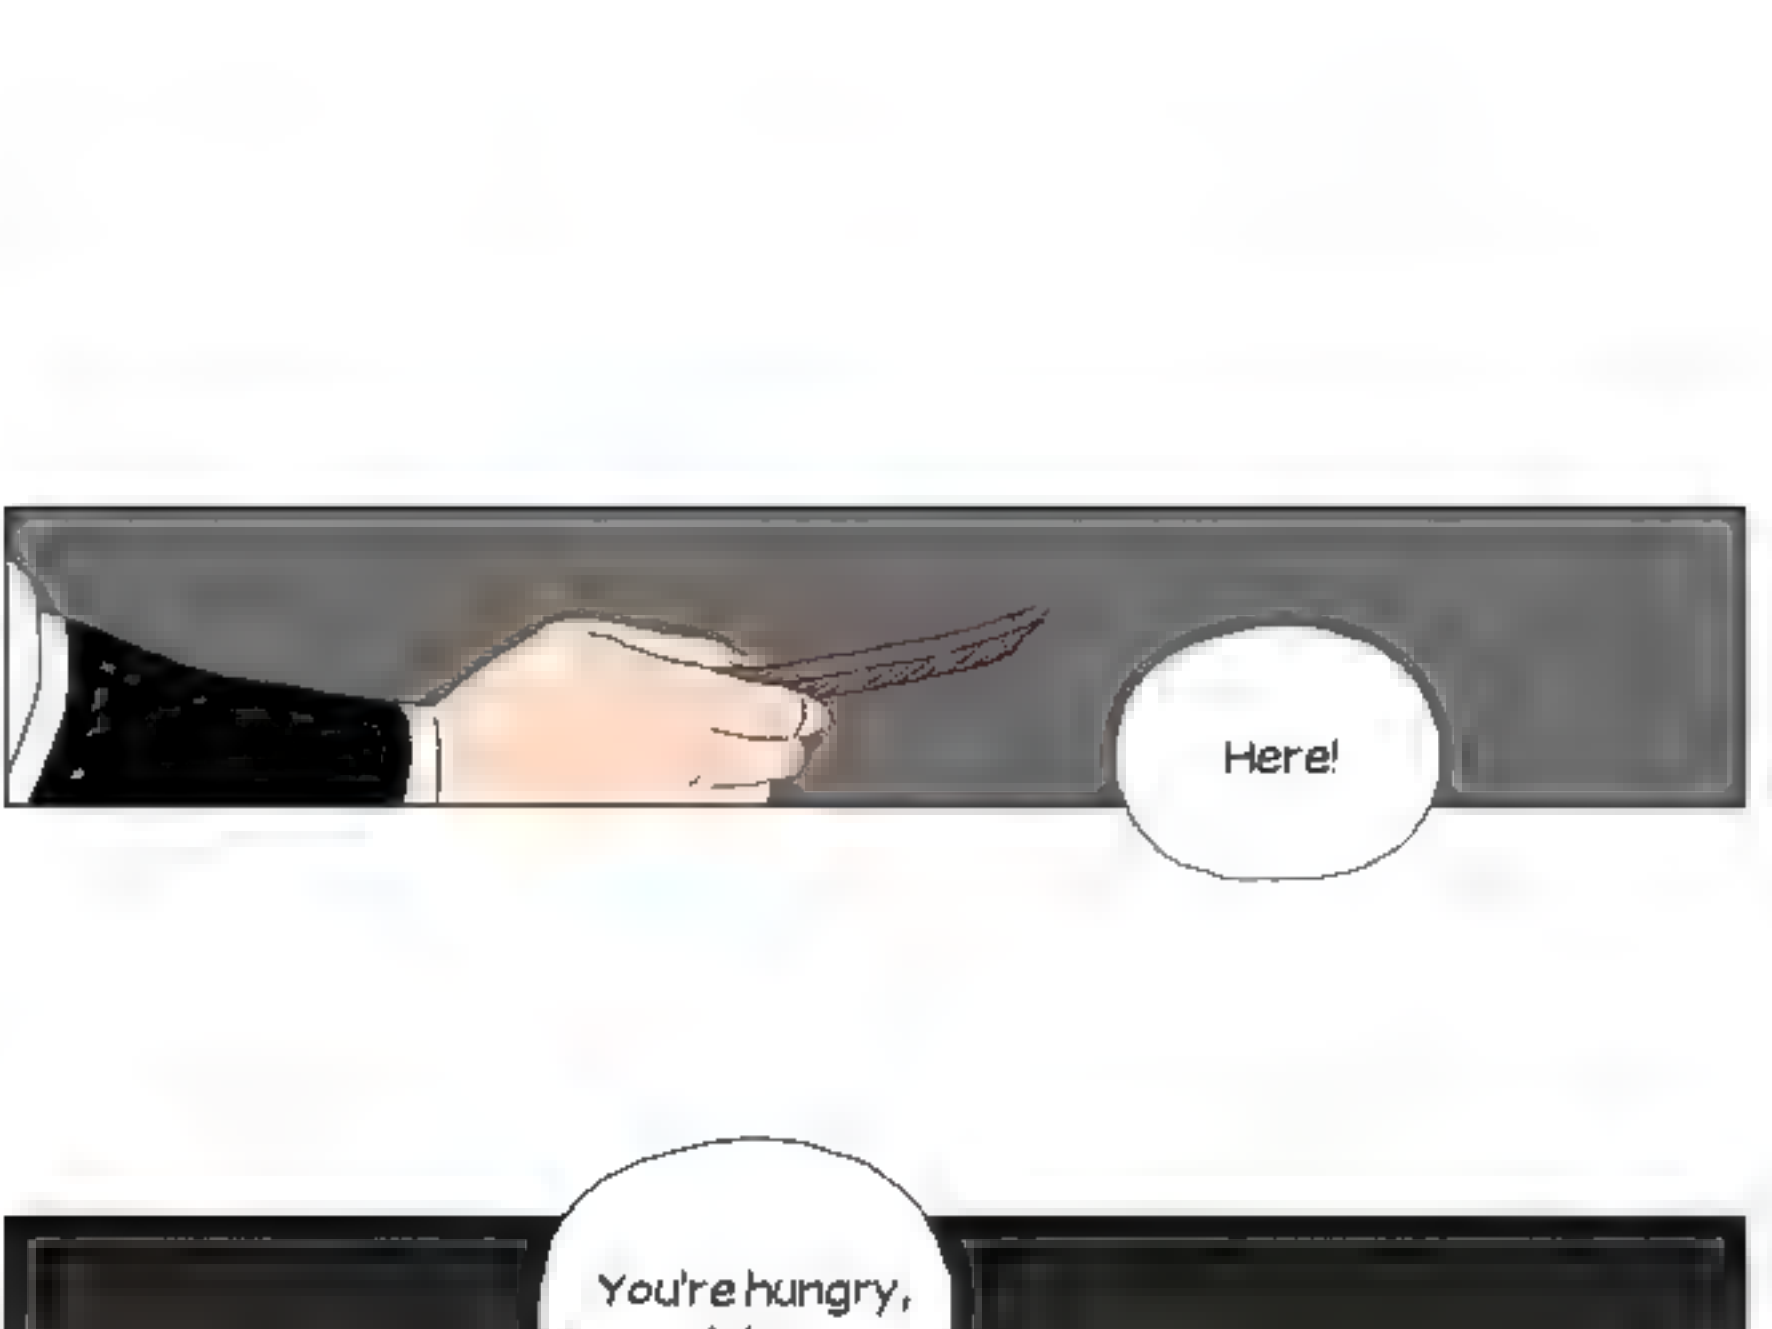

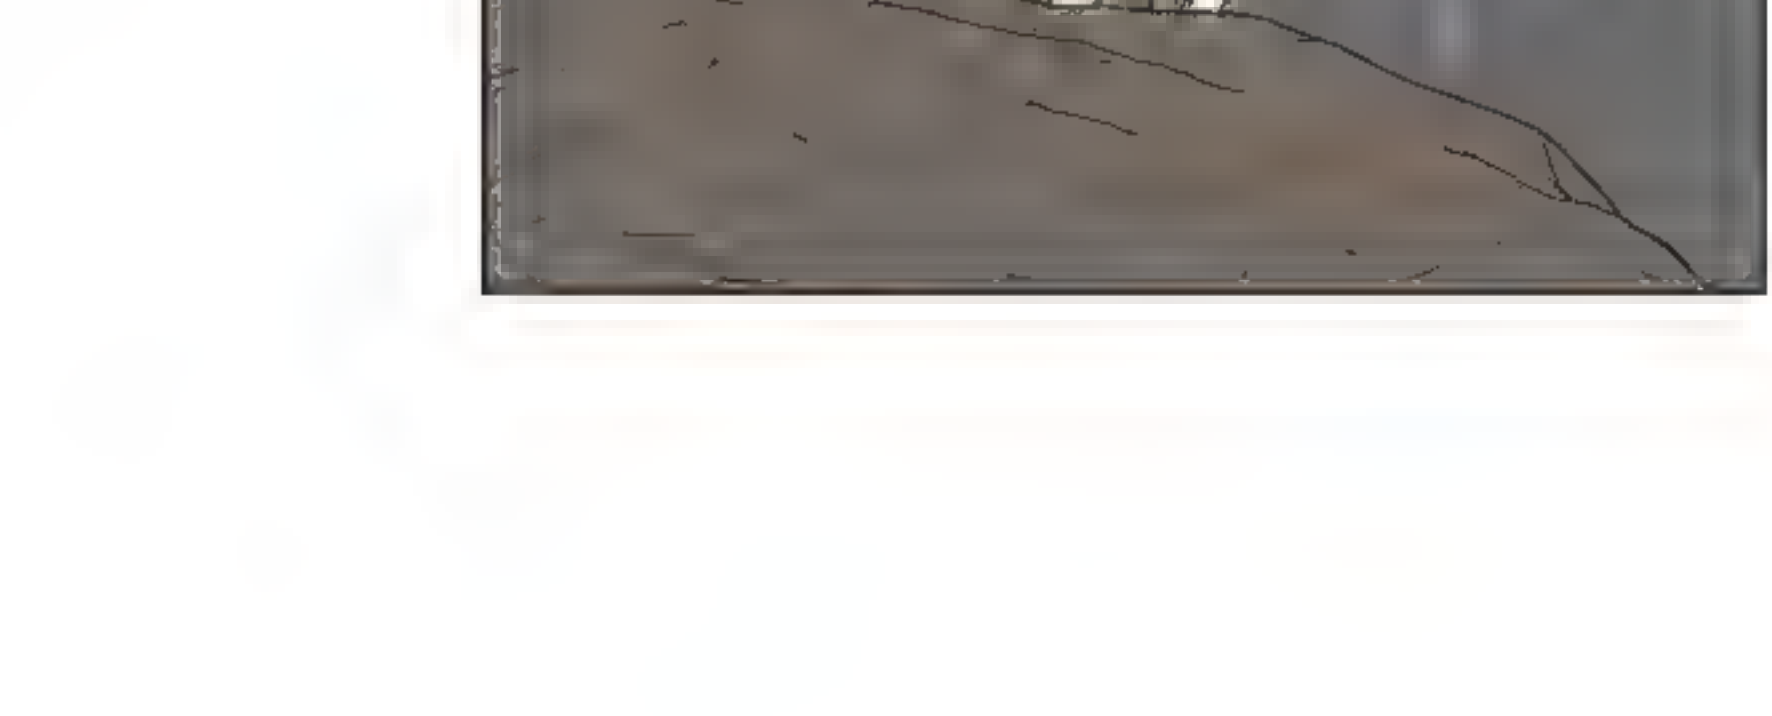

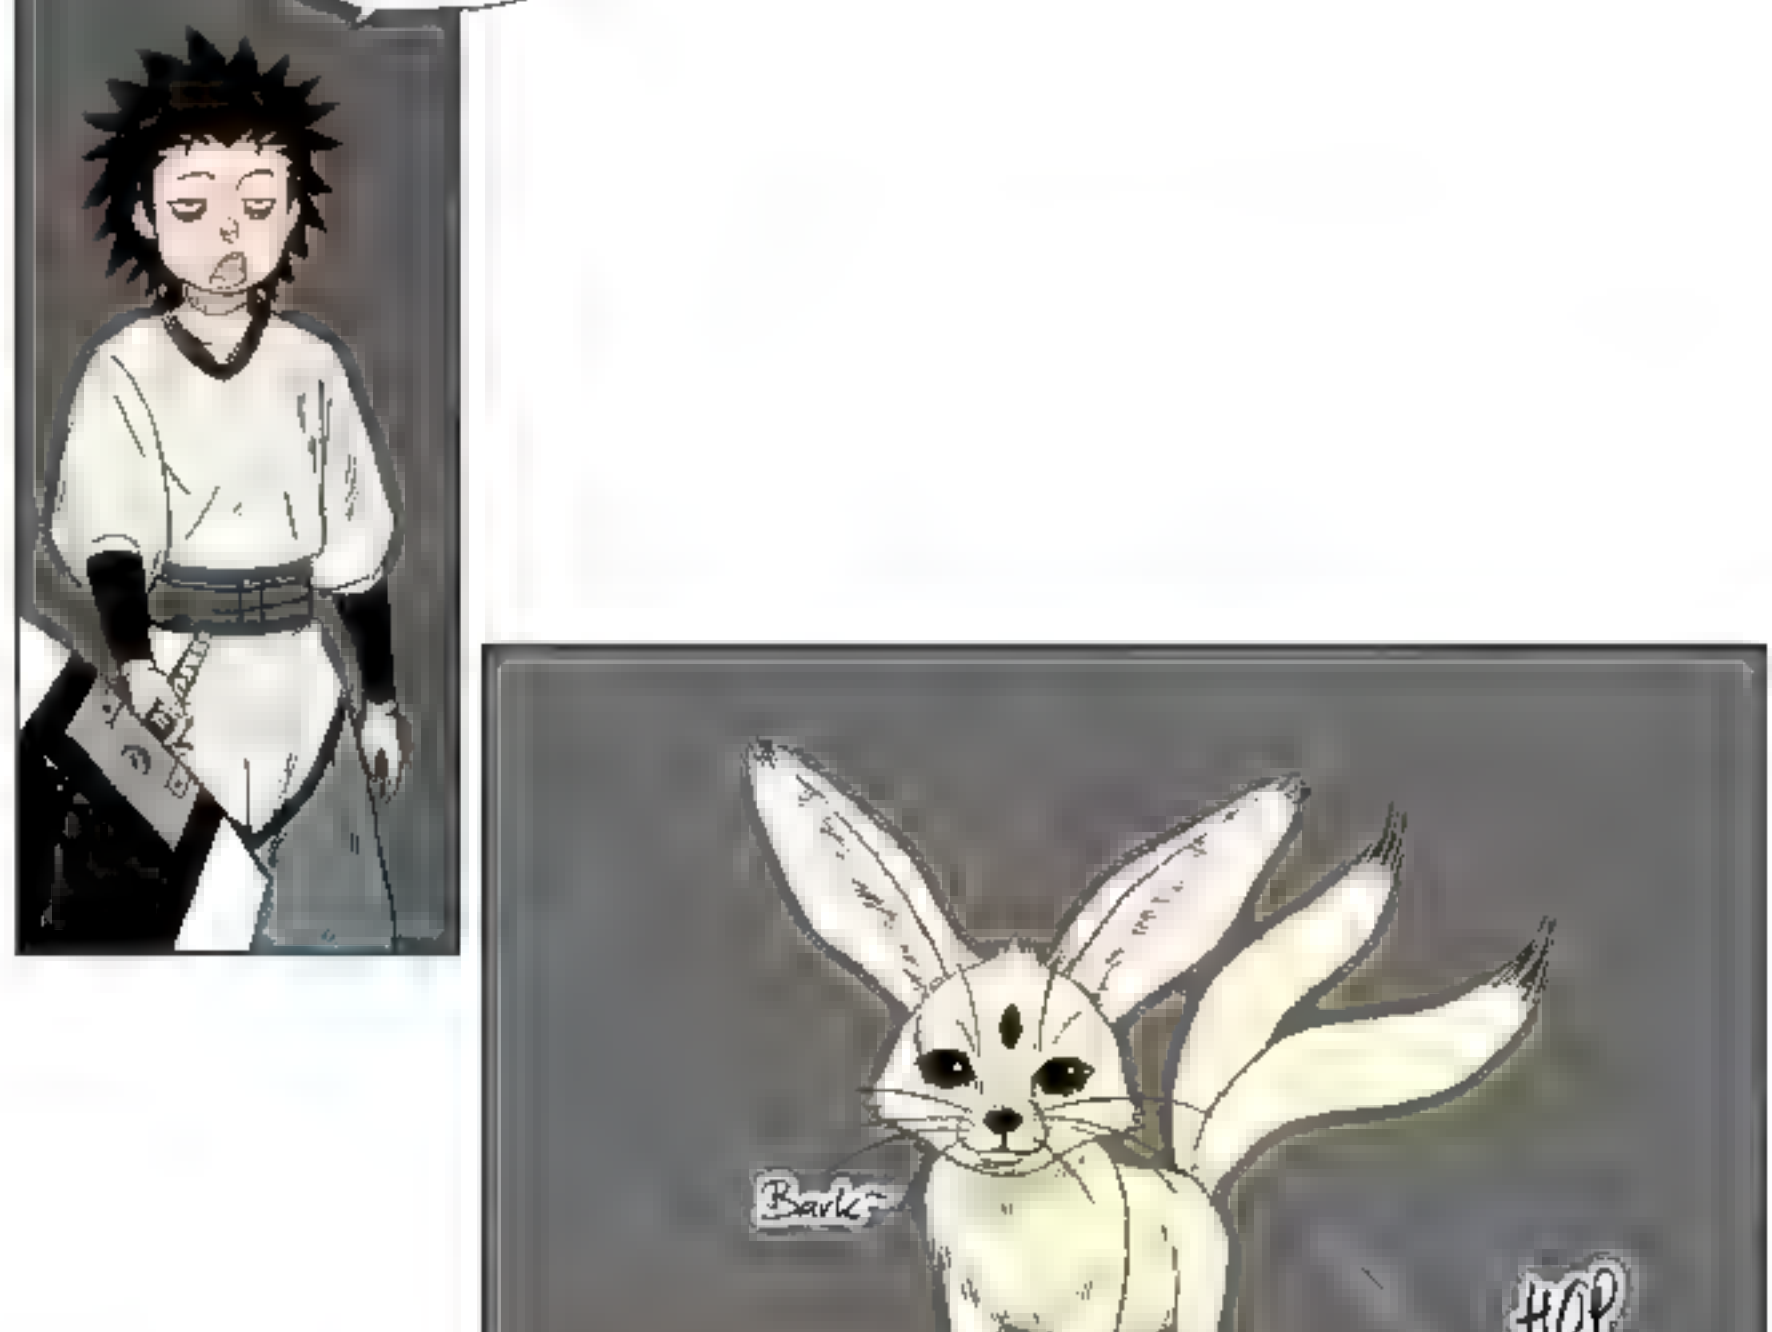

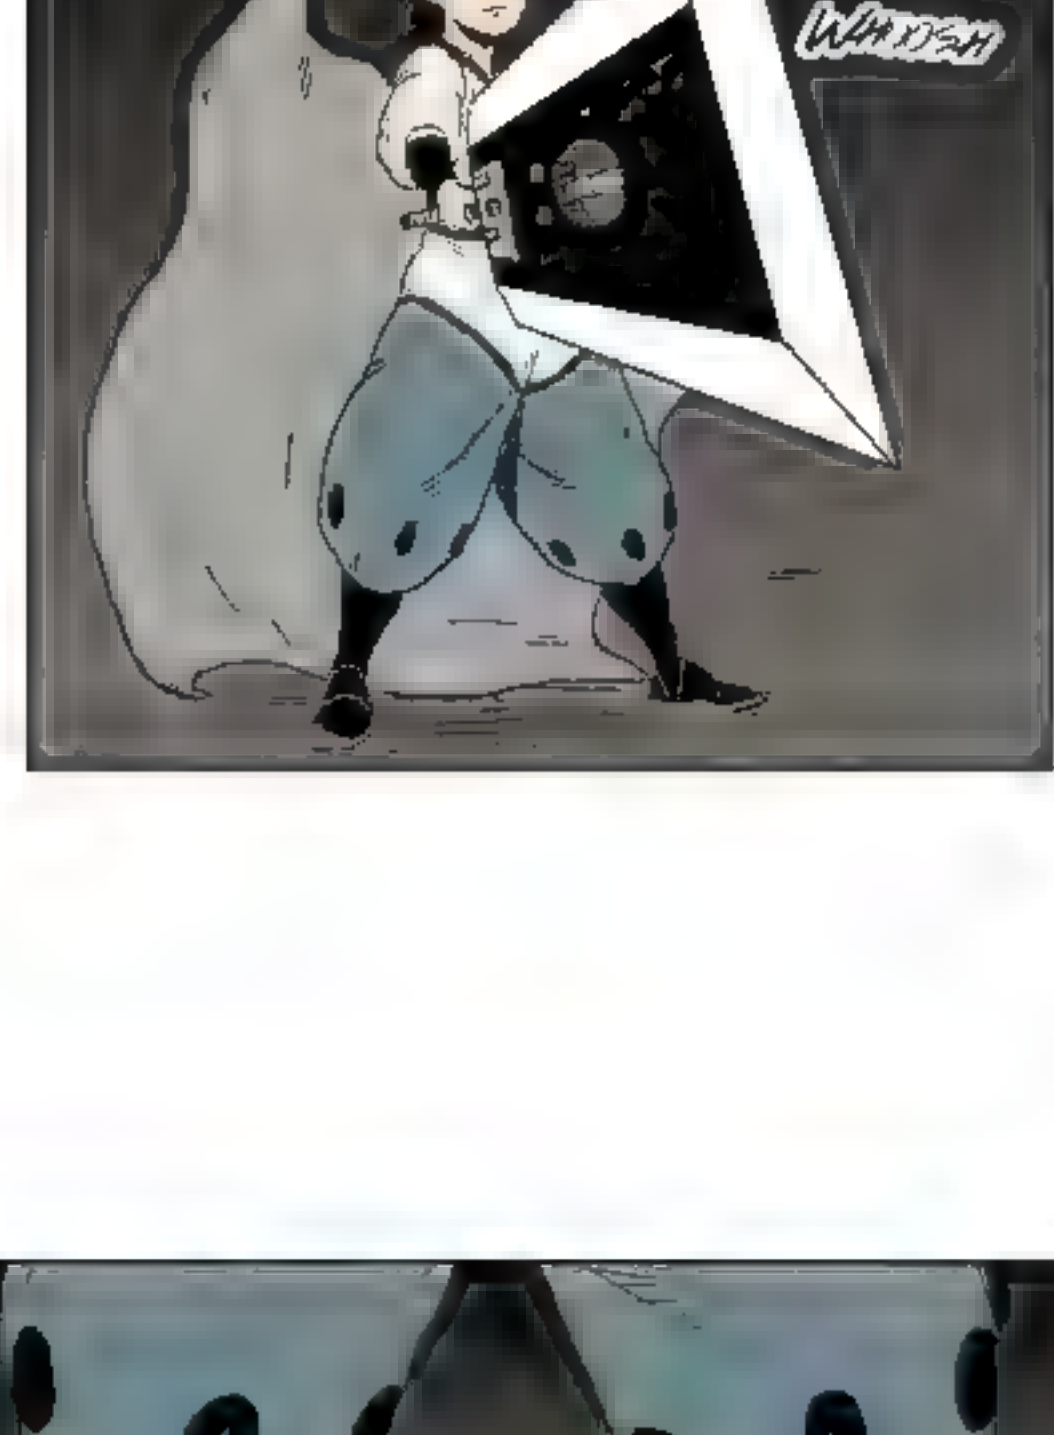

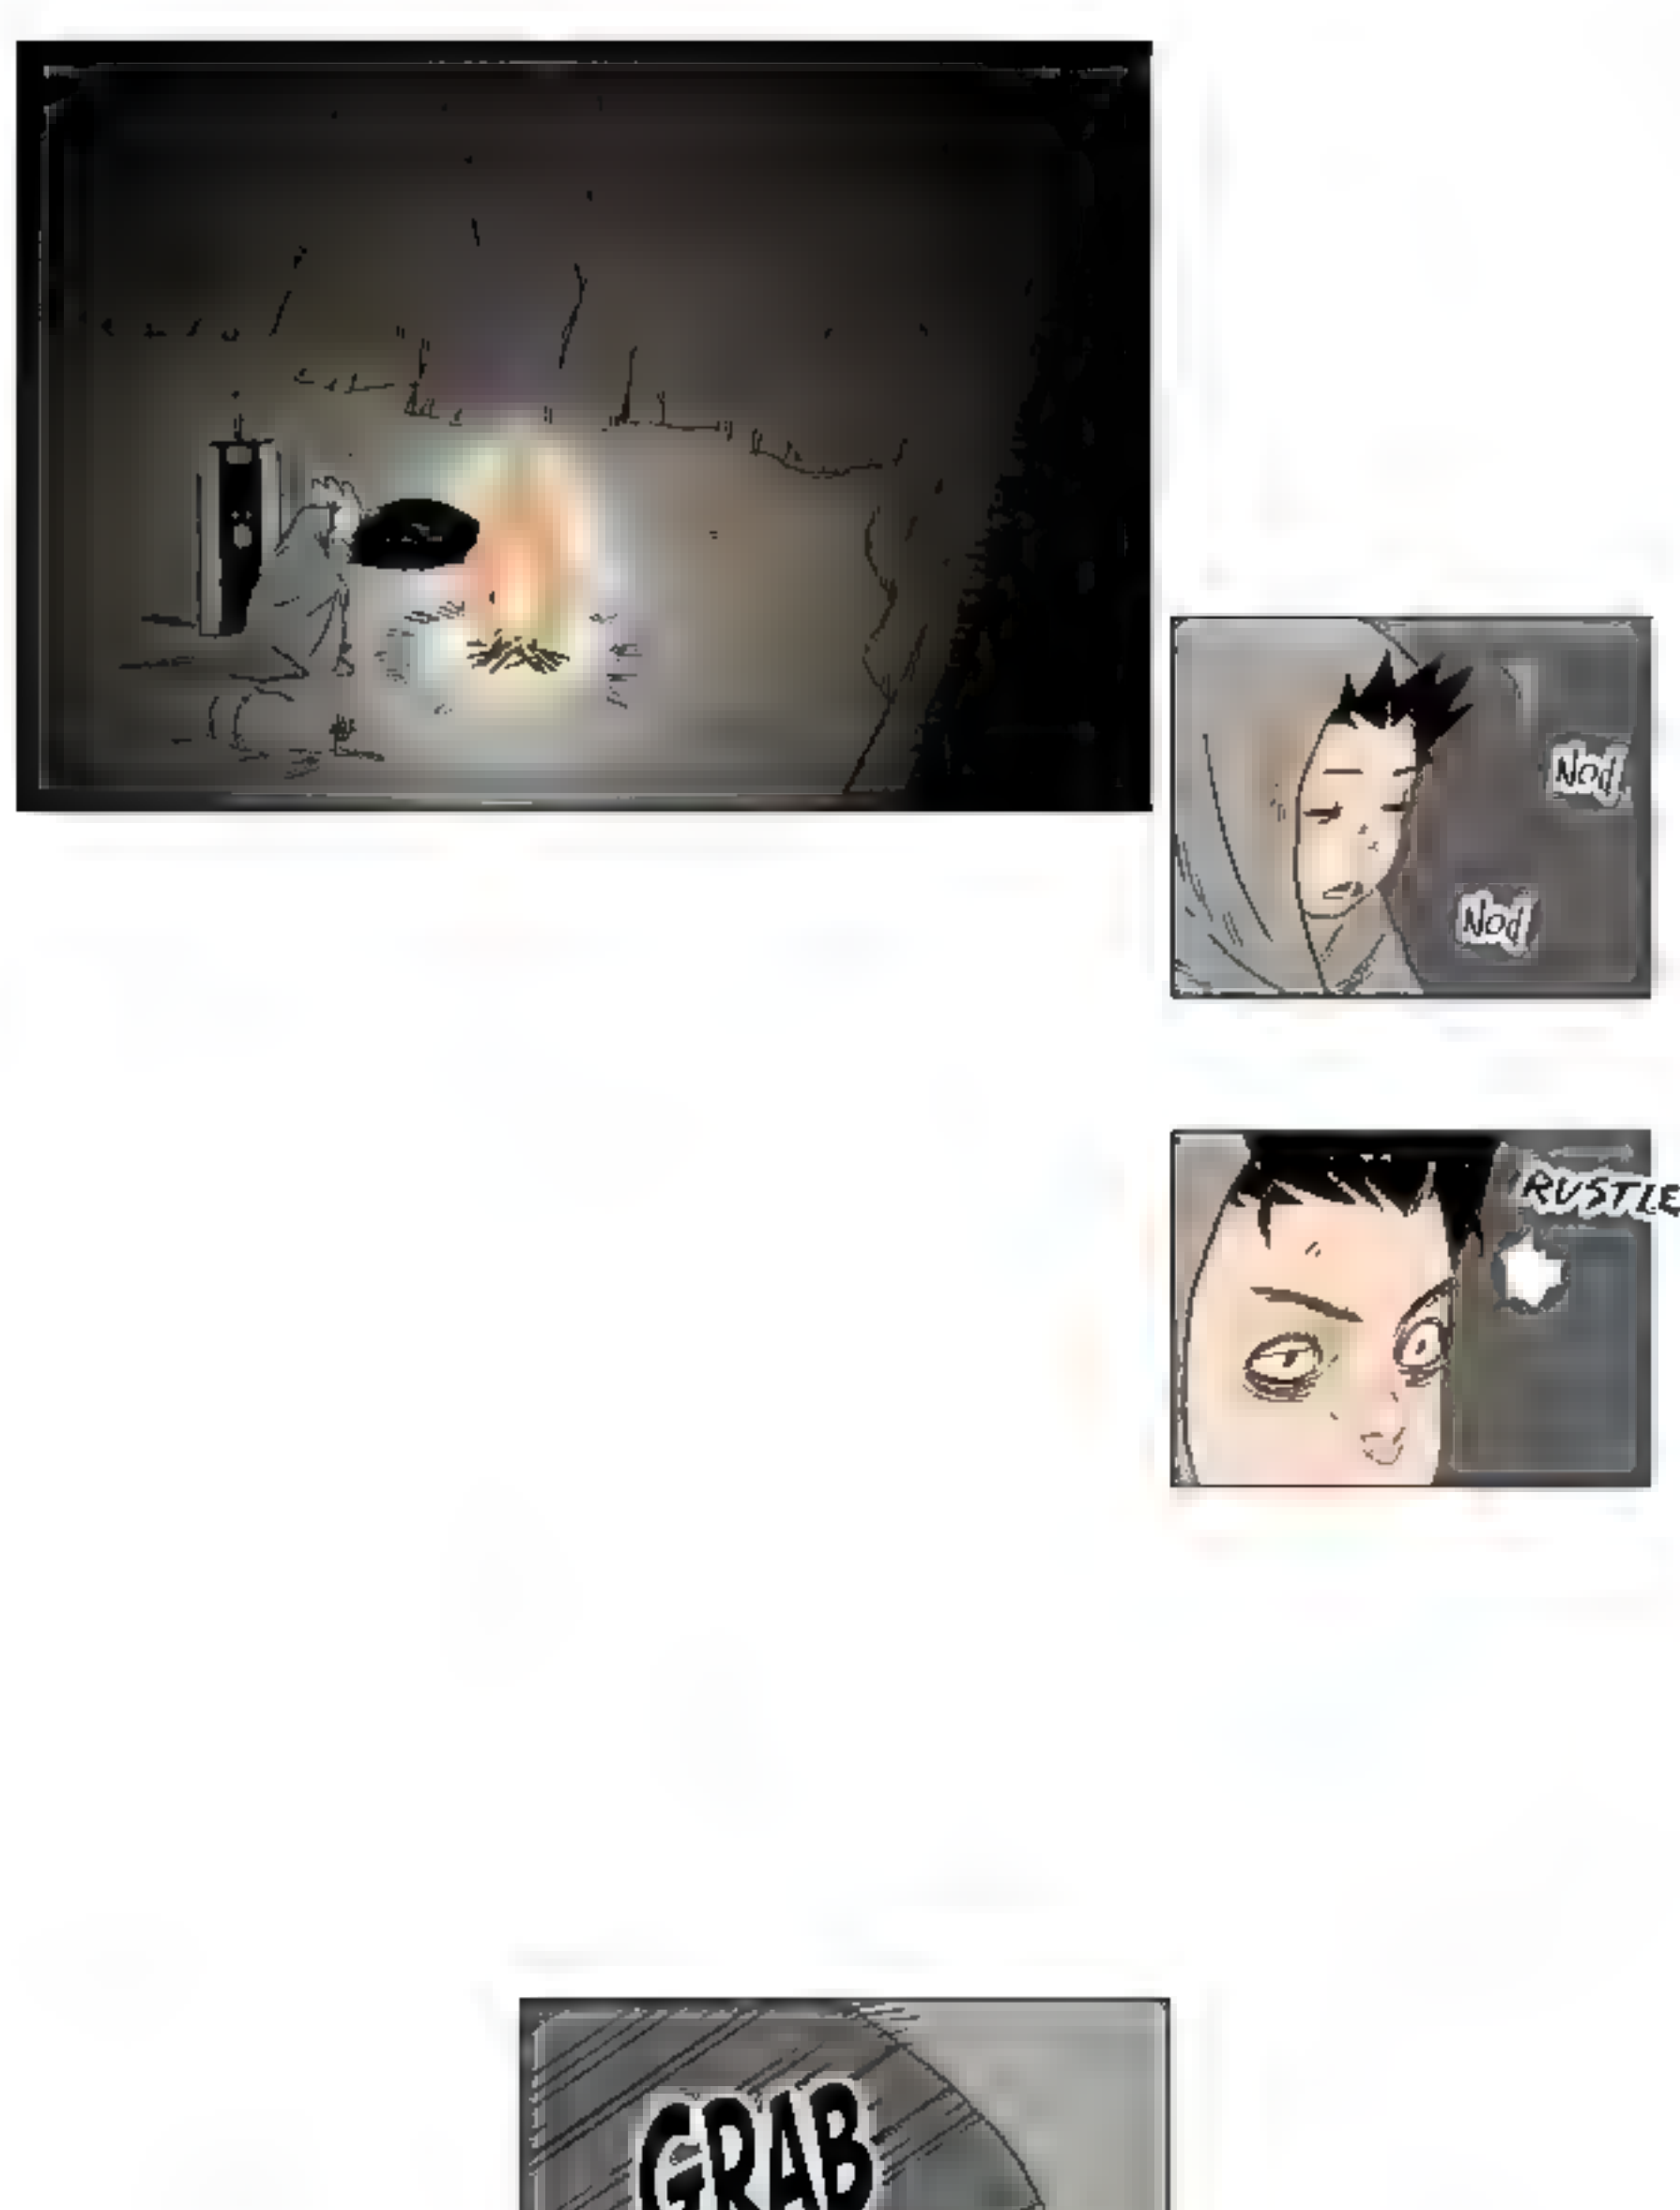

Ah, so you're proud?

That you defeated something like this?

Ah, not at all.

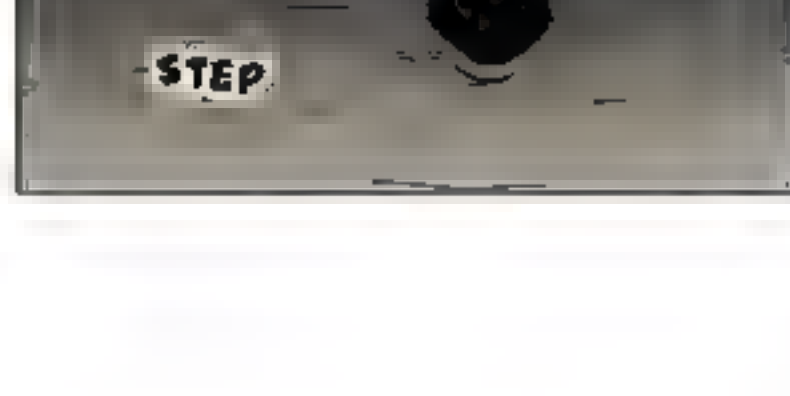

It's eating it.

chapter 10

Ah, the
young Glow?

You're from
our tribe.

Since you're a warrior,
you must've had your
initiation ceremony
already. What are
you doing here?

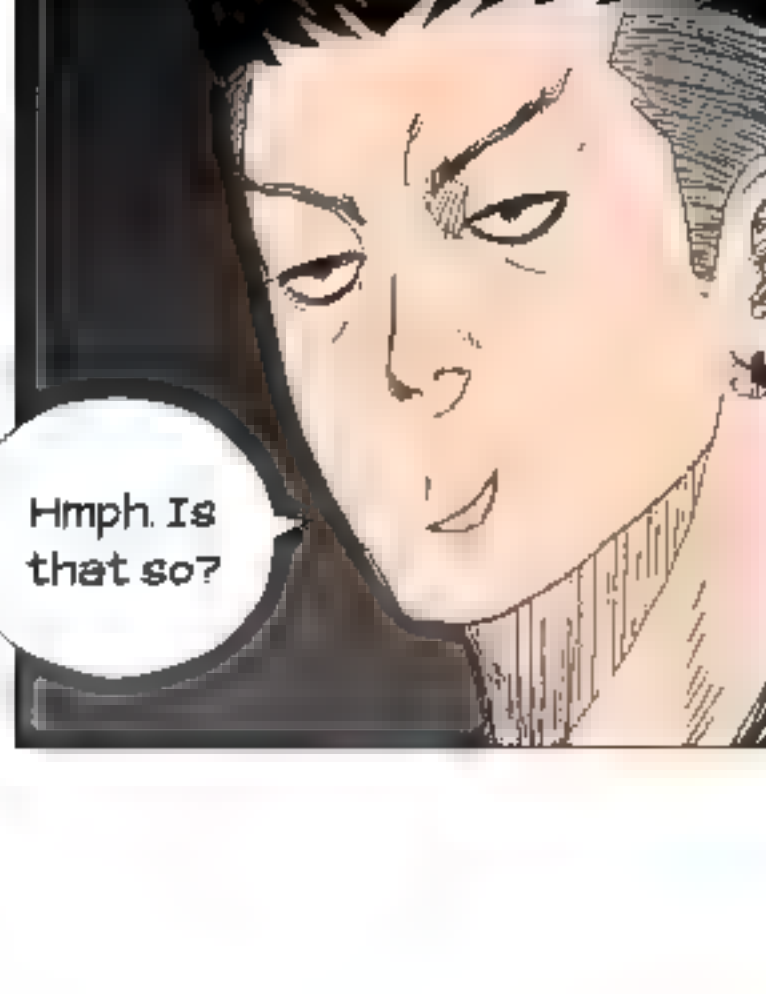

Fighting for
my life, you see

Now what is
the young Glow
doing here?

And even without
an accompanying
warrior
Surely you aren't
out for a walk.

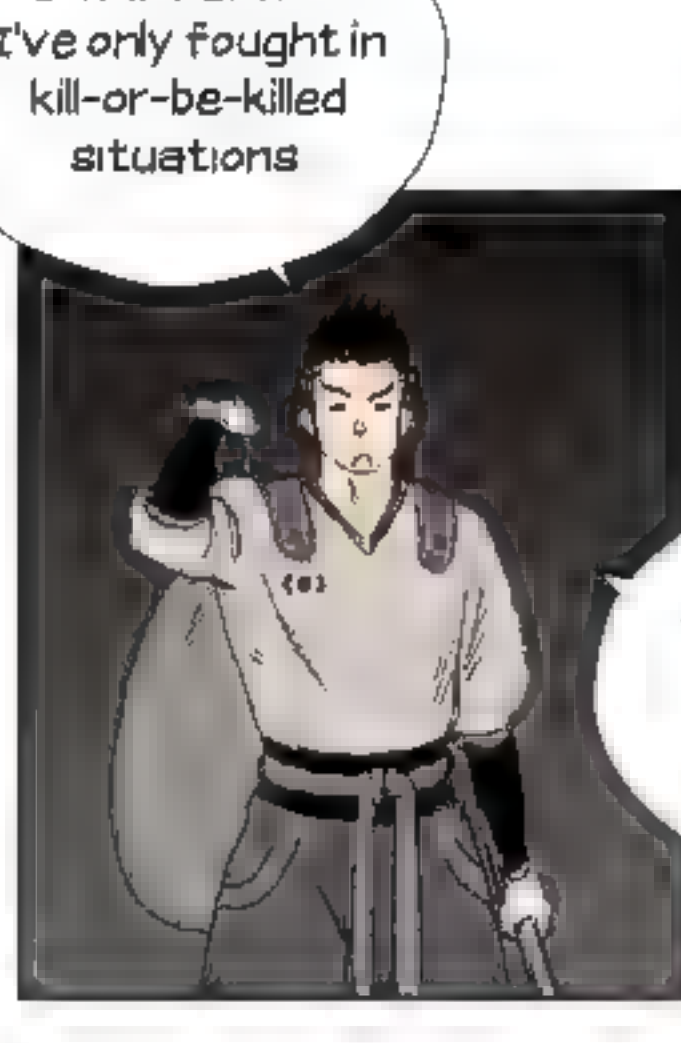

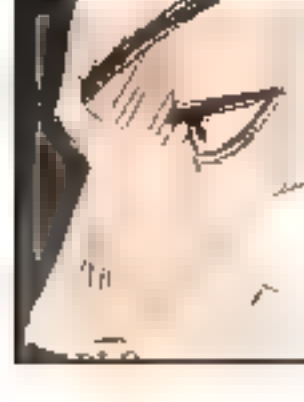

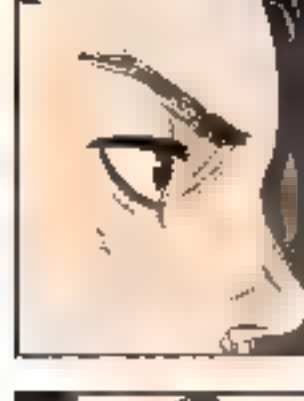

I'm not that weak. I don't need any bodyguards.

Hmph. Is that so?

You can test me out if you want

I'd rather not. I've only fought in kill-or-be-killed situations

And we're from the same tribe. I'm not mad, at least not yet.

Well, sit down, then. I'm glad to see someone from my tribe in so long.

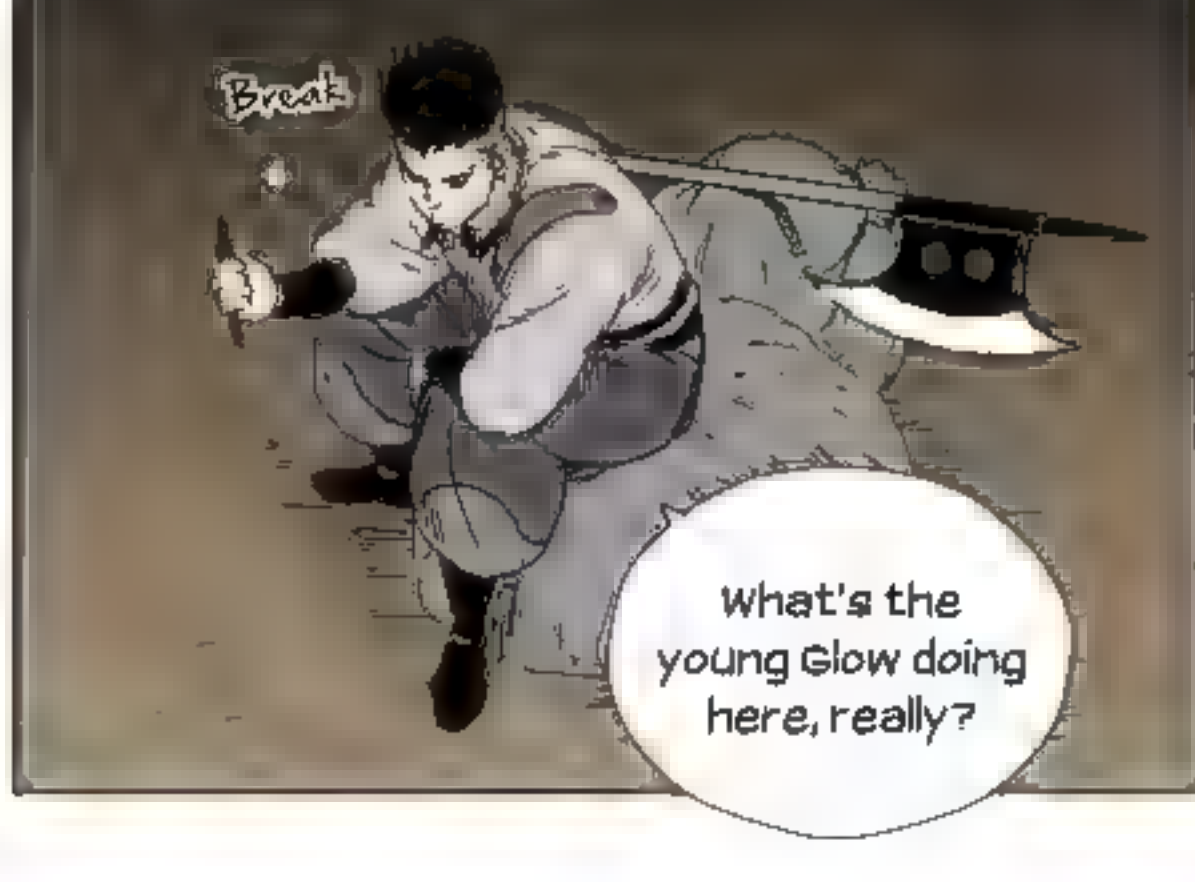

Are you really glad?

Anything happen at the tribe?

Except the guys from the empire popping up, not much.

Break

What's the young Glow doing here, really?

I'm like you

Fighting for my life.

Maybe the young Glow is crazier than I.

why?

If I want people like you to work for me, I must, right?

ha ha ha

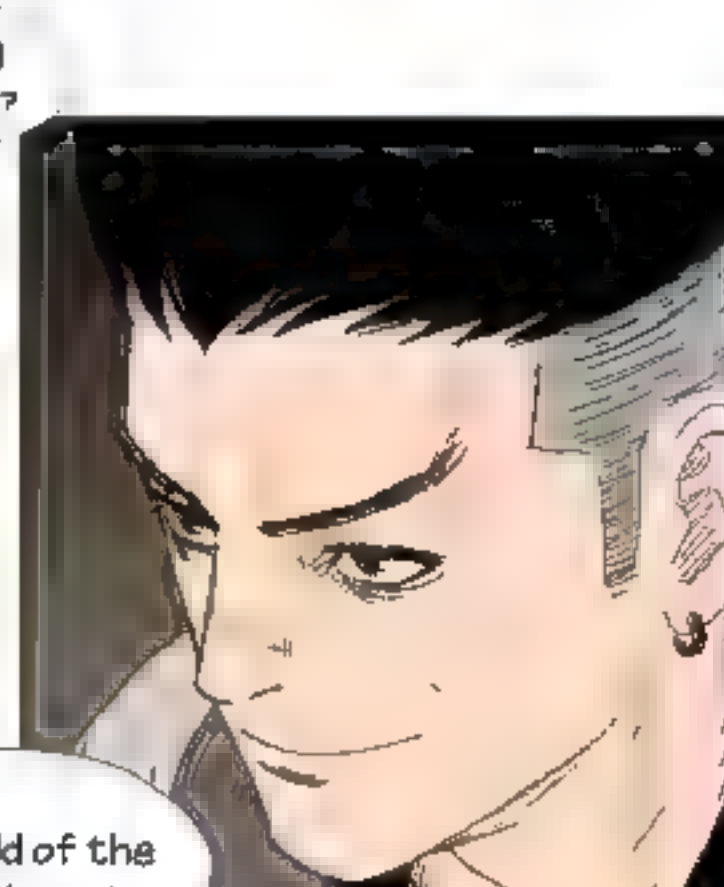

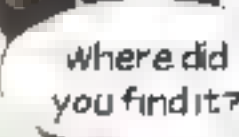

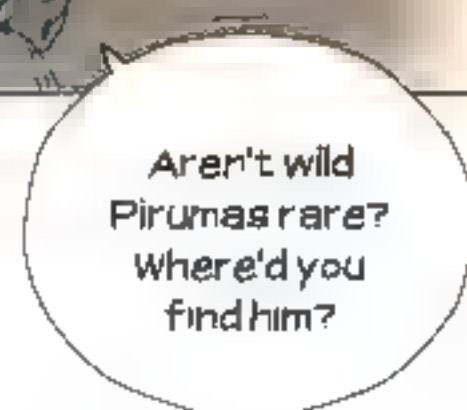

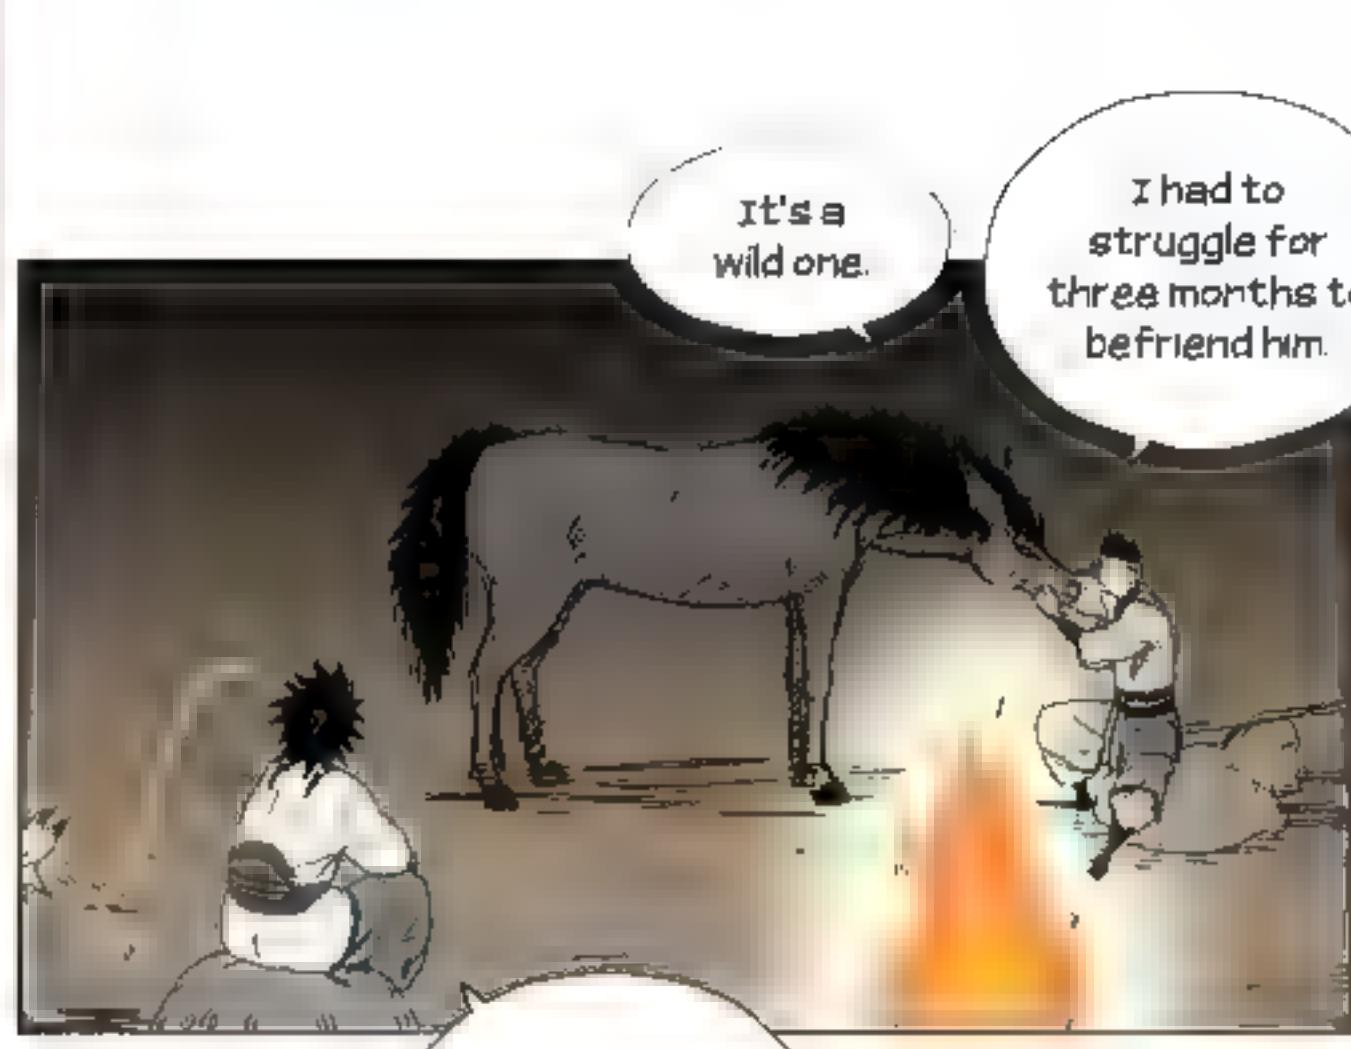

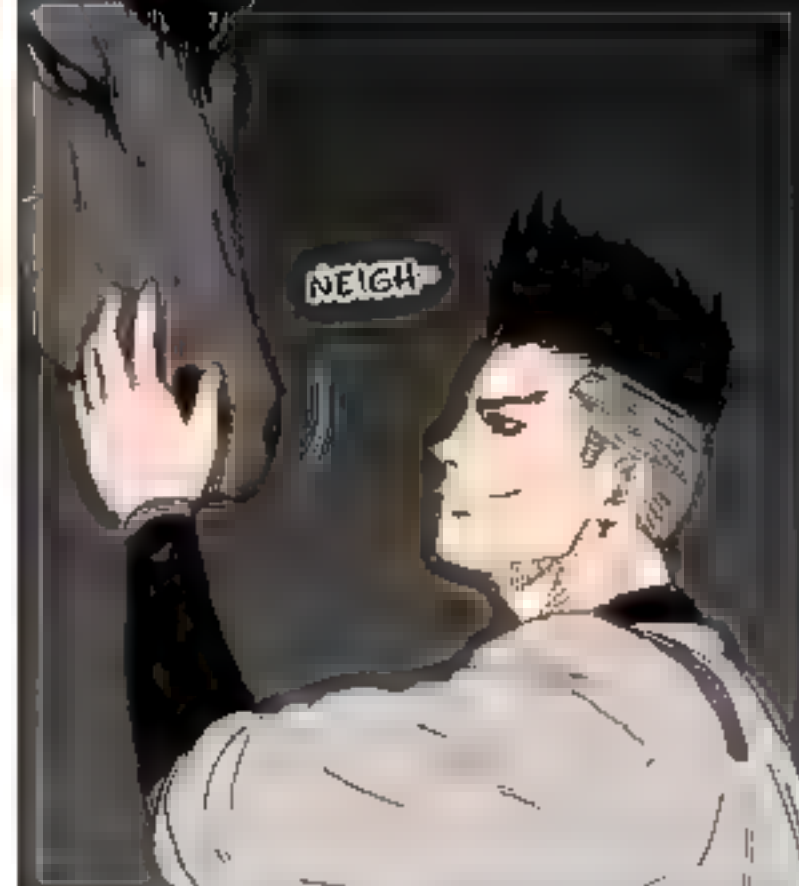

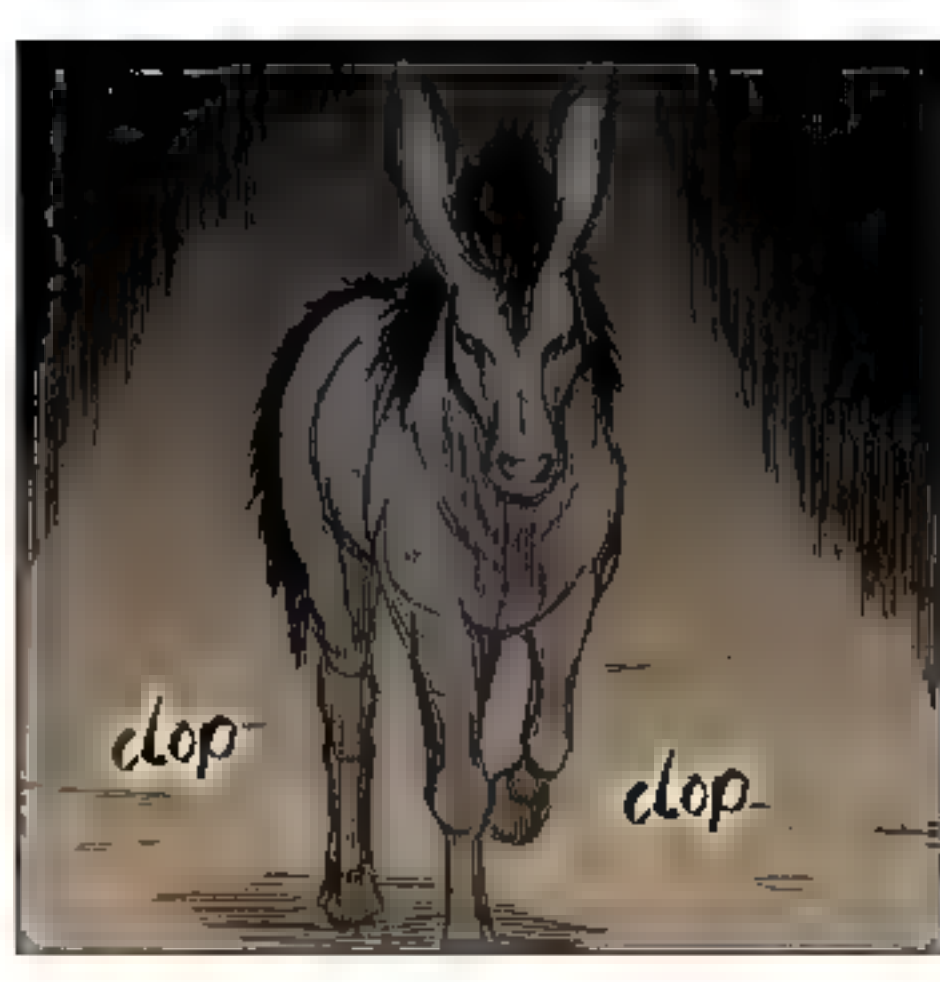

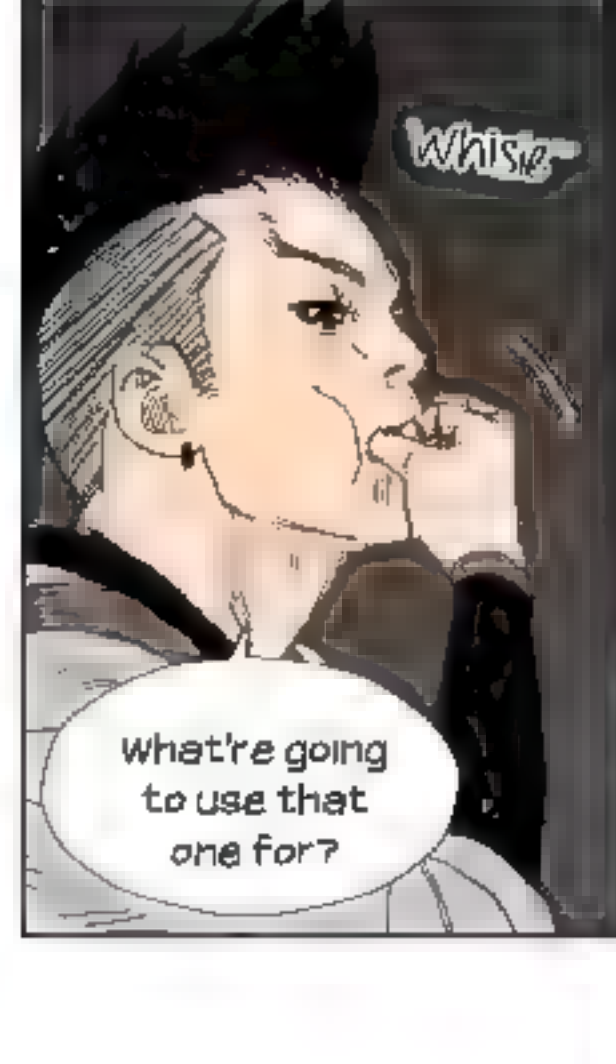

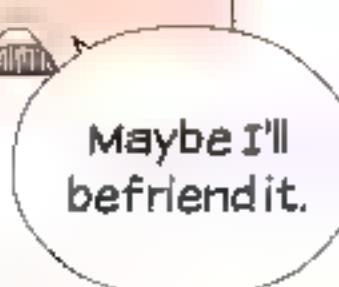

I get why the senior warriors put so much hope in you.

I like you.

You should get me to like you, don't you think?

You're not an exile, yet you travel around this far. You're not being useful, are you?

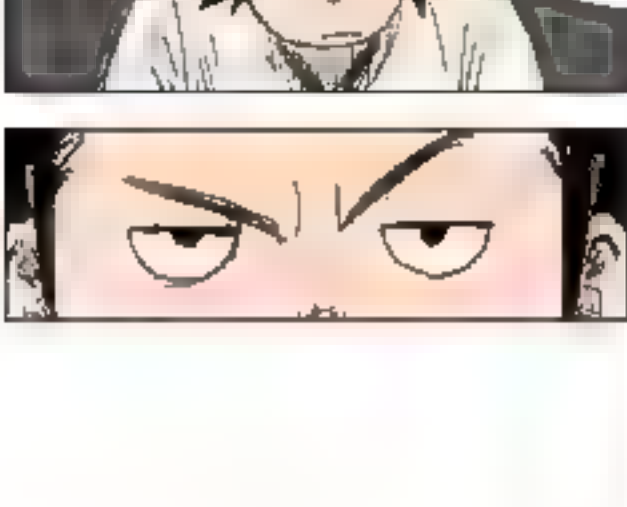

That's...?'

It's too much for young Glow as of now

Didn't you say your initiation ceremony is in two years? Why not try then?

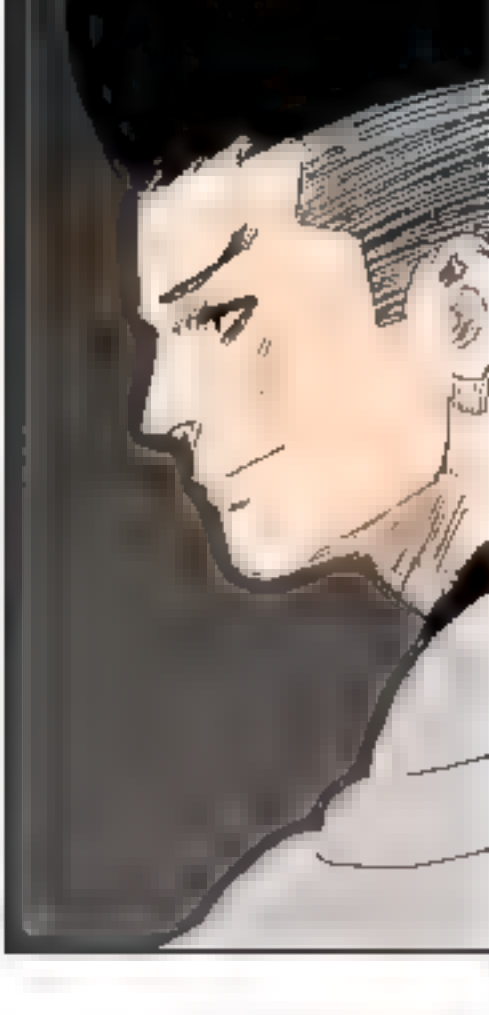

.....
